Summer Reading Program Basics

1. You must read at least three books this summer. **Two** must be (a) chosen from the attached list, (b) may be written by an author on the attached list (c) may be from the Garden State Teen Book Awards List found at any Ocean County Library branch; the **third** may be (a) a book of your choice or (b) may also be from the attached list. Any selections which are not chosen from this list must be chosen from books which are considered to have literary value.
2. You must obtain parental/guardian permission to read your chosen books; have your parent/guardian sign the book form.
3. Check out the books in your local library or purchase them at any bookstore.
4. To choose books that you will enjoy reading, first read the back cover and then the first chapter of a book to see if you like the author's style of writing and/or the story itself.
5. Choose books that you did not read for an assignment or class in elementary school.
6. Plan to read the entire book! If you don't, your answers will show it.
7. Complete the assignment which follows for each book you choose. You will need to complete three (3) assignments.
8. Turn in the completed packets to your Language Arts teacher no later than Friday, September 11th, 2009. You will not have additional time once school begins - this is a Summer Reading assignment.
9. Summer reading assignments will be part of your grade for the 1st Marking Period.
