

Class of 2014 speeches

President

Jesus Garcia: Hi, my name is Jesus Garcia and I would like to be your freshman class president. I am not going to promise you things like, if you vote for me I'll put soda in the water fountains, or I'll get rid of detention. No. But what I can promise is that I will try my best, so your freshman year in high school can be the best it can be. I will work with the treasurer, vice president, and secretary, so all the activities, will actually be fun and not boring. People who know me, know that I never give up, and if elected class president I will do all I can, so your freshman year is one you will never forget.

Bidemi Palmer: Like most of you, I joined Southern Regional School in seventh grade almost 2 years ago. It has turned out to be one of the most exhilarating and rewarding experience for me, and I hope it is the same for you too. Southern Regional schools are one of the best in the country and people who graduate from here are proud to wear the "Southern Pride" on their shoulders. I aspire to be elected as your president to represent you in this great citadel of learning. My name is Bidemi Palmer and I am running for President of the Southern Regional Class of 2014.

As your president, I have a vision to bring diversity and dynamism to the student council and school as a whole. With your help, together we can make imperceptible changes, changes big enough to affect our lives. Together we can make a great school even greater. Together we will place and keep Southern Regional on the pedestal.

As your president, I promise to never forget the people who put me there YOU, YES YOU THE CLASS OF 2014. I will spend each day earning your vote, giving of myself completely to serve YOU, YES YOU THE CLASS OF 2014. I will be your voice to the board, your voice to the staff, your voice to the community and most importantly, your voice to YOU, YES YOU THE CLASS OF 2014.

As your president, I will strive to bring back morality, to bring back pride in character, to bring back leadership, to bring back social equality and to bring back academic and sport excellence. Together we will bring back a school full of tractable and diligent students, together we will bring back a school where there's something for everyone.

As your president, and with your help-YOU, YES YOU THE CLASS OF 2014, we will strive to overcome obstacles that threaten to stand in our way of achieving academic excellence. Obstacles like budgets cuts that threaten to take valuable dollars away from our dear school. We will achieve this while having fun as we will go to war against school poverty while having good clean fun, building friendships and imprinting memories that will last a lifetime, memories and friendships that will stand the test of time. As your president, I promise that together we will build a vision; together we will build a dream, together we will build a reality and together we will emerge victorious because I am Bidemi Palmer, and I am the people's choice.

VOTE FOR BIDEMI, THE PEOPLE'S CHOICE.

Secretary:

Samantha Foster-Tiso: The Class of 2009 thought they were the best; the Class of 2010 thinks they're the best. But this class is going to blow them out of the water. Hello, my name is Samantha Foster-Tiso and I am running for secretary for the Class of 2014. Although you may believe that secretaries are only good for taking notes, that is a fabrication. As a secretary, I will do more than take notes, but I will fulfill my position prominently by bringing forth new ideas that are beneficial to the Class of 2014, and Southern Regional as a whole.

Class officers contribute to the organization and management of several assorted activities like the concession stands at football games. I plan to actively participate in and improve school functions such as the Homecoming Dance, the Chinese Auction, the Joe Corbi's fundraiser, the tailgate parties, and numerous other activities that freshmen play a part in. It's important as a class officer to be a leader for my fellow classmates. Therefore, I will always be open to ideas from students of the Class of 2014, and make an effort to voice your ideas and concerns. My vocabulary is exquisite, and my passion and willingness for helping Southern Regional High School is fervent.

Thank you for your time and attention. Please vote for me, Samantha Foster-Tiso, for the Class of 2014 secretary.
