Cedar Bridge Rd. School on left.

Dear Vendor:

The Southern Regional High School Fishing Flea Market is scheduled for Saturday, February 18<sup>th</sup>, 2012. The doors are open from 8: AM to 2:00 PM. This fundraiser offsets the cost of our club events including several inshore trips for bluefish, stripers & sea bass, surf fishing trips, meetings, seminars and instruction, and our annual offshore canyon trip for tuna and swordfish. The SRHS fishing club provides a truly unique experience for our young anglers. We thank you for your continued support.

Please mail in the application with payment as soon as possible. The tables go fast. The price is \$30 dollars per 6 foot table. If you know of any other vendors who would like to participate, then please direct them to me here at the high school. Also let your family and friends know about the event. Please do not hesitate to call or email if you require more info.

See you all soon,

Bob MacMaster, Jason Hoch & the Southern Regional Fishing Club
