

Friday, December 11

Attention National Junior Honor Society members: On **Monday, December 14**, our wreaths will be delivered. Please plan to **pick up your order after school in C-16**.

Together with the Leo Club Student Council is **collecting new hats, gloves and scarves for those in need**. Please bring any donations to Mrs. Manna in C-7 and your name will be entered into a drawing. The Leo Club and Student Council thank you for your kindness and generosity during the holiday season.

Attention 7th Graders: The 7th grade trip to the Liberty Science Center & Dinner Cruise around Manhattan is on June 3, 2016. Cost is \$106 and must be paid in full by December 15.

The Math Lab teachers would like to remind all students to complete all the math problems and puzzles in their funbook. Remember to bring in your St. Jude Math-a-thon pledges before December 18. Choose kind by solving one more problem.

What will you do to choose "kind" today??
