German Program

The German Program at Southern Regional High School

Neuschwanstein

Come join us and see what we have to offer.

Southern Regional School District

Warum Deutsch? (Why German?)

Academic / Business Benefits

Did you know that German is one of the most universally recognized languages.

Learning German grammar helps students to write better and to get better SAT and ACT scores.

Germany is America's largest European trading partner. More than 750 major American firms do business in Germany. Germany remains a leader in science and technology. Some other benefits of studying German include:

- Better paying jobs
- Global career advancement
- Personal development
- Potential for study abroad

Class of 2006 currently attending Brown University, MIT, Penn State, Kutztown University, and NYU.

German Curriculum at Southern Regional High School

We are currently offering German I, II, III, and German IV. You will learn to read, write, and speak German using a curriculum based on the Core Curriculum Content Standards (CCCS).

Your German teacher, Frau Matthew, teaches many aspects of the language and culture using traditional and non-traditional methods.

Frau Matthew in German class.

World Language Honor Society

At Level III, you will have the opportunity to become a member of the World Language Honor Society. You will also participate in the National German Test. Students scoring at or above the 90th percentile are eligible to apply for a three-week trip to Germany, sponsored by the German Embassy.

You are not only learning German, but becoming part of an extended family.

Examples of our activities include:

- Oktoberfest: going to the Hofbrauhaus to eat, dance and enjoy each other's company.
- Christmas: going to see "Nussmacher" ("The Nutcracker ballet).
- Christmas: leaving your shoes outside the door to receive your Christmas candy.
- Spring break: traveling for nine days to Germany, Austria, and Switzerland.
- German Club: spending the day in Hershey Park.

And every Christmas after Graduation, meeting at Applebee's to see each other again.

Dinner at Applebee's
