Kino In Frankfurt - Lesson Plan

Language: German

Level: I

Grade level: 7-12

Objectives

- Read an ad for a movie theater
- Recognize movie title, theater name, address, telephone number, subway stations, show times, actor, actresses, director, duration, rating.

Materials

- Computer with access to the World Wide Web
- (or) Printout of a movie listing
- Student worksheet

Procedure

1. Ask students to list what information they expect to find in an ad for a movie theater.
2. Ask student to share what information they expect to find.
3. Have students select a movie site and find the expected information in the ad.

http://www.kinoservice.de/kino_s2.htm (Stuttgart)

http://www.kinoservice.de/kino_f2r.htm (Frankfurt)

http://www.kinoservice.de/film_l2.htm (Ludwigsburg)

4. To help students find expected information have students look for cognates.
5. Then have students look for meaning in context.
6. Ask students to list words they don't understand and think they need to know. Let students work with a partner to guess the meaning of words they need. Then discuss with class.

Extension

Have students make their own ad in German for a movie.
