

## *Storm Team*

# *Welcome to Southern Regional Middle School!*

Dear Storm Team Student,

Welcome to the **Storm Team** and **Southern Regional Middle School**. You are now a part of a group of 120 students on our team who will share the same core academic teachers and work together on projects and school activities.

**Mrs. Line**, our science teacher, will focus on chemistry and life science and will introduce you to many of our local plants and animals.

**Mrs. Patterson**, our English teacher, will guide you through some interesting literature and help you become a better writer.

**Mrs. Fleck**, our social studies teacher, will help you explore long ago civilizations and modern nations.

**Mr. Eiker**, our mathematics teacher, will make you a better problem solver and will introduce you to some basic concepts of algebra and geometry.

**Mrs. Carney**, our health and physical education teacher, will guide you in developing lifetime skills necessary for becoming a healthy, productive individual.

**Mr. Bucci**, our in class support teacher, will team with the other teachers in teaching science, social studies, math, and English.

**Mrs. Benson** will be your guidance counselor. She will provide you with helpful hints throughout the school year.

On the back of this letter you will find a list of supplies you will need for next year.

We are looking forward to meeting you in September as you join our Southern Regional Family. We have many educational and fun activities in store for you. Enjoy the rest of your summer!

## *Storm Team Supply List*

### **Science:**

- ✓ A folder
- ✓ A marble composition book-not spiral

### **Math:**

- ✓ One 3-ring binder (1")
- ✓ Four dividers with tabs for labeling notebook sections
- ✓ 1 marble composition book-not spiral
- ✓ A large supply of pencils, preferably mechanical
- ✓ A calculator – Calculators are available for in-class use, however students will want their own for homework. The preferred calculators for class are the TI-34 Multi-view.
