Welcome to Southern Regional Middle School. We are looking forward to an enjoyable and productive school year. As a team, we will be working together to create a caring and productive learning environment. Your team teachers will encourage you to join activities outside the classroom and assist you in developing the skills you will need to be successful.

In order to be prepared for the new school year, a list of suggested supplies follows:

- 4 - one inch binders (One binder for each core subject) Larger binders will not fit in lockers.
- 4 - one subject spiral notebooks or full size composition journals
- Dividers for each binder
- Highlighters
- 4 pocket folders
- Pencils and pens
- White lined paper for the binders
- Combination lock for physical education
- Texas Instruments 34 II Calculator (Suggested, but not required.)

We look forward to meeting you. Your teachers will help ease the transition from elementary school to middle school. Remember to finish your summer reading and enjoy the rest of the summer. If you have any questions call guidance or ask one of us at the orientation meeting.

See you in September!
