ANTI BULLYING PLEDGE

As part of my community.....I AGREE:

**To be a part of the STOP Bullying Today solution.
Eliminate taunting from my own behavior.
Agree to not be a bystander, but to stand up for others.**

**Do my part to make my community a safe place.
Set the example of a caring and moral individual.
Eliminate profanity towards others from my language.
Not let words or actions hurt others....**

**....and I will encourage others to also make this
commitment.**
