About Southern Regional Middle School

The Southern Regional Middle School provides its students with a unique educational environment. The school is comprised of two different grade levels with students coming to us from three constituent and one sending district.

This school year represents the seventh year the 7th and 8th grade students are teamed. The teams consist of five core subject teachers. Each grade level has four teams. Thus, communication between the school and the home has increased dramatically. Each team will be focusing on an interdisciplinary unit this school year. Our educators have taken the challenge of developing a program that is student centered and addresses the needs of each student.

Individual educational programs for students with special needs may take many forms and include both in-district and out-of-district programs. At the Southern Regional Middle School, several special education programs are available: Resource Center, Departmental, Self-contained, In-Class Support, Mainsail Alternative Program, Compass, and Speech Therapy. These programs are designed to meet the needs of those students who, due to a handicapping condition, have difficulty learning in regular class settings.

Mentoring, Peer Mediation, Peer Leadership, and Substance Abuse Preventive Programs are all offered as a part of the Middle School's Student Assistance Program. These programs, among others, provide students and their families with pro-active opportunities to function successfully in school, at home, and in the community.

Southern Regional Middle School students are afforded extensive interscholastic, intramural, and co-curricular programs. Students are encouraged to participate in extra curricular programs to assist them in becoming well-rounded individuals.

Our students have frequently received recognition and awards for their achievement by the Ocean County Math League, the Thinking Cap Quiz Bowl, the Stafford Township Arbor Day contest, Stockton College, the All South Jersey Band, the All South Jersey Orchestra, the All South Jersey Jazz Band, and the American Scholastic Press Association First Place Awards for our literary magazine and yearbook.

Welcome to Southern Regional

It is with great pleasure that we take this opportunity to welcome you to the Southern Regional Middle School. We are extremely proud of the programs we offer to our students and encourage all students to make the most of your time with us.

This handbook has been developed by our faculty and administration to help you and your parents learn as much as possible about all of the procedures and services we offer to our students. It is a quick reference guide that you will find extremely useful as questions arise throughout the school year.

Whether you are joining us for the first time or were here last year, we encourage you to become an active member of the Southern Regional Middle School. We offer many activities, clubs, and sports that provide our students the opportunities to grow and mature into young adults. "Commitment to Excellence" is our never-ending goal.

We look forward to the school year with great excitement and hope all our students will have a rewarding and successful year.

Once again, welcome!

BELOW ARE OUR CURRENT PROMOTION REQUIREMENTS FOR STUDENTS ENTERING 7TH AND 8TH GRADE.

The following guidelines constitute the promotional requirements for students from grades 7-8 and 8-9.

1. Students must pass six of seven courses in order to be promoted from 7th to 8th grades and 8th to 9th grades respectively (this includes Summer School).
2. If a student fails math and/or English, the course(s) must be taken and passed in Summer School.
3. If a student fails two courses, he/she **must** take **one** of the courses in Summer School although we would recommend taking both. (The school reserves the right to require the course(s) to be repeated.)
4. If a student fails three courses, **two MUST** be taken in Summer School. (The school reserves the right to require the course(s) to be repeated.)
5. If a student fails three and a half (3 ½) or more courses, the student will be retained. (with no option of Summer School).
6. The Principal reserves the final decision in cases of extenuating circumstances.

NOTES:

1. All courses would be considered “major courses”.
2. In the case of all exploration cycle courses, a student must pass a minimum of two quarter courses of study. Failure to do so would result in the review of the need for Summer School.
3. Students attending Summer School must pay \$300.00 or more per course. Transportation is provided by the parents.

Please find the present grading policy below:

92 - 100	Average = A
83 - 91	Average = B
74 - 82	Average = C
70 - 73	Average = D

GUIDANCE

Guidance services are available to every student in the school. Each child will be assigned a guidance counselor. Guidance services include assistance with education, vocational, and personal/social concerns or any question a student would like to discuss. Requests for appointments to meet with a guidance counselor are made in homeroom. Counselors will return an appointment slip to homeroom teachers. Students are not permitted to see a guidance counselor without a pass. Parents may schedule conferences with individual teachers by calling the Guidance Office at 597-9481 Ext. 4225.

PROJECT CHILD FIND

If you suspect that your child has an education disability and is experiencing academic difficulties, you can contact the Southern Regional Child Study Team at 597-9481 Ext. 4339. You will be provided with information about what services may be available for your child.

SPECIAL SERVICES

Teachers, administrators, guidance counselors, and parents may refer students to the Child Study Team. Many times, students may seek assistance themselves. A number of reasons may cause this referral – such as, learning

difficulties, social/emotional problems, or family concerns. The Child Study Team consists of a school psychologist, a learning disabilities teacher consultant, a school social worker, and a speech therapist.

HEALTH SERVICES

USE OF MEDICATION

All medication, both prescription and over-the-counter, must be administered by the school nurse only. All medication must be brought to the nurse's office in the morning, and students must come to the nurse's office to take their medication. All medication must be in the original container with the student's name, dosage, and frequency of the medication clearly labeled. **In addition, a written order or note from the prescribing physician and a note from the parent/guardian must be submitted with the medication.**

SCREENINGS

Vision and Hearing Screenings will be done yearly on all 8th grade students, all special education students, and all students having sports physicals. Any parent, counselor, teacher, or student may request a vision or hearing screening at any time during the school year if a problem is suspected. Scoliosis screening will be done on all students.

IMMUNIZATIONS

A reminder to parents that as your child reaches the middle school, they are often times due to have the diphtheria/tetanus vaccine. This vaccine was last given to your child upon entrance to kindergarten and is re-administered every ten years. Should a child receive a notice stating the need for this immunization booster, parents should be prompt in making plans to have it completed. Physician documentation is required and will be made a permanent part of each students' health record. Also, new state laws require the three dose Hepatitis B vaccine for all students. All appropriate documentation should be up-to-date in the student's file.

PHYSICAL EDUCATION & MEDICAL EXCUSES

Occasions will arise where students require a medical excuse from participation in physical education activities. A procedure is in place that will allow the student to care for their medical problem while still meeting the mandated physical education requirement. A guidance counselor, physical education teacher, or school nurse should be consulted if the need arises for a medical excuse from physical education. Prior to participation in physical education classes, students must remove all watches, chains, bracelets, and jewelry both pinned on and clipped on. This includes jewelry held in place by body piercing.

SCOLIOSIS

Scoliosis is a curvature of the spine, which can cause complications in a child's life. Ten percent of the population of the United States has some form of scoliosis. Of that ten percent, only one percent will require treatment. The school nurse, in gym class, performs a scoliosis examination on all 8th grade students. Any parent wishing for a child to be excluded from this examination should contact the school nurse. The nurse may send a referral home and ask that the child be seen by your family physician to determine if he/she requires any further treatment and/or follow-up.

This procedure is in compliance with the state-mandated directives.

EARLY DISMISSALS

There will be no early dismissals or excuses granted for miscellaneous reasons. Where possible, dental and medical appointments shall be made for hours when school is not in session. There are often logical reasons for such appointments during school hours. **WHEN DISMISSAL FOR SUCH PURPOSES IS NECESSARY, STUDENTS MUST COMPLETE TWO STEPS:**

1. A note signed by a parent/guardian must be presented to the homeroom teacher during homeroom on the day of the requested early dismissal.
2. The parent/guardian must come into the Main Office and sign out the student at the requested time.

NO STUDENT IS PERMITTED TO LEAVE SCHOOL WITH ANYONE EXCEPT A PARENT/GUARDIAN WITHOUT PRIOR ADMINISTRATIVE APPROVAL.

All requests for early dismissal **will be verified** with a parent/guardian.

THE CLASS ABSENCES WILL COUNT UNDER THE ATTENDANCE POLICY.

STUDENT DANCE GUIDELINES

1. Only Southern Regional Middle School students will be permitted to attend dances.
2. All dances will run from 7:00 p.m. until 9:00 p.m.
3. Students must arrive no later than 7:30 p.m. unless they are detained by another school sponsored activity.
4. All students **MUST** have their school ID card in their possession to be admitted to any Middle School dance. **NO EXCEPTIONS.**
5. Students arriving after 7:30 p.m. will not be admitted; parents will be called to pick them up.
6. Student dress for dances will be as per the current dress code unless there is a special theme for the dance.
7. Once students arrive on school property, they are to report to the gym. They may not leave until the conclusion of the dance. No students will be permitted to leave the dance before 9:00 p.m. unless a parent is present to pick them up.
8. **No supervision will be provided after 9:15 p.m. If a student is not picked up by 9:15 p.m., he or she may not be allowed to attend the next dance.**
9. All other school rules will be in effect during the dance, including the dress code.
10. **Students must be present during the school day to participate in an after school activity.**

STUDENT RECOGNITION PROGRAMS

Students are recognized for a variety of accomplishments in the middle school. Some of the programs include:

Student of the Quarter
Student of the Month
Academic Honor Roll
Honor Pass
Academic Awards Banquet
Perfect Attendance Awards

Please see your counselor for specific information on these programs.

STUDENT RESPONSIBILITIES

Attendance Policy

There are two kinds of absences: **Excused** and **Unexcused**.

Excused absences are for the following reasons:

1. Illness (with documentation)
2. Court/legal proceedings (with documentation)
3. Religious observances
4. Family/education requests (advance approval)
5. Personal circumstances
6. Other reasons as approved by the administration

NOTE:

1. Students who are absent are required to provide a parental note or documentation within 48 hours to substantiate that an absence is excused. Total absences beyond eighteen (18) days in any given year may require additional documentation when determined necessary by the administration.
2. All other absences are **UNEXCUSED**. For an unexcused absence, all class activities and/or participation for that day will result in a zero as a grade with no opportunity for make-up work credit.
3. All absences (excused and unexcused) count towards the limits for each course.
4. Students are required to provide documentation for their absences. If the required documentation is not provided within 48 hours, the absence will be considered **UNEXCUSED**. All class activities and/or participation for that day will result in a zero as a grade with no opportunity for make-up work/credit. **ALL UNEXCUSED ABSENCES MUST RECEIVE A "0"** as a grade for that day, unless notified to the contrary by the administration.
5. **A student must be present in school to participate in an after school activity.**

Loss of Credit

When a student is approaching the limit of **total absences** for a quarter, semester, or full year course, the student and parent will be notified and a conference held. The principal or designee will prepare a plan for the pupil to follow for the remainder of the school year. The plan will be in writing and signed by the student and/or parent.

Attendance Thresholds

- 18 absences = maximum allowable to receive credit
- 19-24 absences = no credit status; student may apply for the Credit Restoration Process
- 25 or more absences = no credit status; subject to Principal's review

Credit Restoration Process

- Upon the 19th absence, a student may attend Saturday School in order to begin the credit restoration process.
- Two Saturday Schools will absolve one absence.
- Saturday School will absolve an absence only after a student has surpassed the threshold of 18 absences.
- A student will not be permitted to utilize the Credit Restoration Process once he/she has surpassed the 24th absence.
- The Credit Redemption period begins January 15.
- Saturday School sessions must be scheduled through the student's specific Assistant Principal.

Should the student not fulfill the above stipulations by year's end, the student will receive "no credit" in the class(es), no matter the grade.

Excessive absences which result from absences from school, cutting, tardies, or any other reason which exceed the following limits lead to "no credit".

LIMITS ON ABSENCES

FULL YEAR COURSE	18 absences
SEMESTER COURSE (1/2 year)	9 absences
MARKING PERIOD COURSE (1/4 year)	5 absences

WHAT TO DO IF YOU'VE BEEN ABSENT

1. Report to Period 1/Homeroom with a note explaining the reasons for your absence with the dates noted. Be sure to let attendance personnel know if you were dismissed early the previous day.
2. Take the admit slip to each class. Be sure to have each teacher sign the slip. (Keep this as your own record at the end of the day.)
3. If you forget to bring in a written excuse upon your return, **YOU MUST STILL REPORT TO HOMEROOM FOR AN UNEXCUSED ADMIT TO CLASS FORM.** This will remain as an unexcused absence until written excuse is presented so that you can make up any missed work.

CLASS CUTTING

Students who are absent from class without authorization shall be referred to the administration for disciplinary action. Additionally, the attendance policy regarding credit status will be applied. All students cutting class must receive a "0" as a grade for that day, unless notified to the contrary by the administration. Repeated cutting may lead to immediate administrative review.

WHAT TO DO IF YOU ARE LATE

TARDINESS POLICY

Tardiness to Period 1/Homeroom or beyond is subject to the attendance policy. For every three tardies, an absence will be assessed. The following are examples of an excused tardy:

1. Illness (with doctor's note)
2. Court/Legal (with documentation)
3. Religious observance
4. Personal (with administrative approval)
5. Out-of-school Suspension

Additionally, when class time is missed, the attendance policy regarding "no credit" will be applied. If a student is late to homeroom more than three (3) times, detentions will be assigned minimally.

Students who have accumulated excessive tardiness or absences, students who are in danger of failing, or students who have discipline problems may be prohibited from participation in school activities which require their absence from school or class.

The Superintendent shall calculate and monitor the average daily attendance rate for the district and for each school in the district. Whenever the average daily attendance rate is below 90% for the district or below 85% in any one school, the Superintendent shall develop and implement an attendance improvement plan. The attendance rate shall be calculated by dividing total pupil days present for all pupils by the total possible pupil days for all pupils and multiplying the result by one hundred.

N.J.S.A. 18A:36 et seq.; 18A:38-25 et seq.

N.J.S.A. 34:2-21.1 et seq.; N.J.A.C. 6:20-1.1 et seq.

MAKE-UP WORK

IT IS THE STUDENT'S RESPONSIBILITY TO GET WORK MISSED DUE TO ANY ABSENCE FROM CLASS FOR ANY REASON.

Failure to make up work will result in a failing grade for the days missed. Do not forget to get class notes that you've missed. Under normal circumstances, students will be given an equivalent number of days to make up the work missed.

Vacations during the school year are strongly discouraged. When parents or guardians decide that a student must join them on vacation, the school should be notified in advance by a letter stating the dates when the student will be absent from school. The student should present this letter to the attendance officer at least seven (7) days prior to the start of vacation and complete and return the Vacation Request Form. Failure to do this could result in the absences being recorded as unexcused. (See Attendance Policy) Documented vacation days are excused. However, they are included in the student's attendance total.

The student is responsible for obtaining class work in advance from all his/her teachers. Upon returning to school, the student should meet with his/her teachers to ascertain if all work has been completed. **A STUDENT MUST BE PRESENT IN SCHOOL TO PARTICIPATE IN AN AFTER SCHOOL ACTIVITY.

PHONE

Student use of the telephone during the school day is on an emergency basis only.

- Students must use the phone in the Main Office during the school day. Use is limited to emergencies.
- Planning after school activities should be done at home, not during school. Phone calls should be made for emergencies only.
- **Student cell phones may not be used during the school day.**

Final Exam Dates

The last four days of school are scheduled “Final Exam” days. However, these dates are subject to change. Please do not plan any vacations, sports camps or family reunions, etc. until after the winter snow season and at least three school days after the anticipated last day of school. It is extremely difficult to reschedule make-ups prior to school ending. Remember: Any snow days or other emergency school closings must be made up at the end of the year.

STUDENT VALUABLES

- We recommend students not bring large sums of money or valuables to school. Such items should be brought to the Main Office for safekeeping. Please use checks whenever possible.
- **Valuables should never be left in P.E. or hall lockers.**

DRESS GUIDELINES

- Student dress guidelines are established and enforced cooperatively by the students, faculty, and administration of this school.
- It is the responsibility of the student, with parental assistance, to come to school properly dressed. Every student should be clean and fully dressed. Attire should not be injurious to health and welfare or disruptive to the educational process.
- Hats/bandannas are not to be worn during the school day. The wearing of a wallet chain, belt chain, or any similar chain is not permitted. Students are not permitted to wear dog collars, choker chains, or jewelry containing spikes. These items will be confiscated. Parents should contact the Assistant Principal to make arrangements for the return of confiscated item(s).
- Footwear is required at all times. Clothing that is inappropriate, indecently patched, or torn is not acceptable. Sunglasses are not to be worn in the building.
- There are special activities in school, such as gym, band, science, home economics, labs, shops, etc., where special dress is required.
- If a student does not dress in accordance with the above policy, he/she will be given an opportunity to conform. A student will not be allowed to participate in any co-curricular or class activity if dressed inappropriately.
- **Pajamas are not to be worn to school.** Waistlines must not be folded down. Student shirts and pants must overlap.
- Some examples of items that are not to be worn to school are hats, bandannas, halter tops, tube tops, strapless tops, bare midriff tops, spaghetti strap tops, tank tops, and mesh or revealing items of clothing. Exposed undershirts, sleeveless “muscle shirts”, and inappropriately short or tight skirts, slacks, pants, or short shorts are unacceptable school attire.

Guidelines:

1. **When standing with arms at your side and fingers extended, shorts and skirts should fall below the tips of your fingers.**
2. **When sitting or raising your hand, the shirt should still overlap the waistband in the front and back.**

Any clothing which, by slogan or illustration, is offensive or promotes the use of drugs or alcohol will not be permitted. **Jackets and coats are not to be worn in the building. They are to be kept in lockers.**

- The dress guidelines as enumerated above are in effect at all school functions including plays, concerts, dances, and co-curricular programs.
- Bookbags are not to be worn/carried during the school day. Leave them in your locker.

LUNCH TICKETS: (Forget a lunch?)

- Students must use their ID number to purchase lunch.
- Students may also prepay for lunch. The prepay form is on our website.

- Lunch may be charged one time only.

STUDENT RESPONSIBILITIES

Harassment Statement

The Board of Education recognizes that a student's right to freedom from discrimination includes the opportunity to learn in an environment untainted by sexual harassment. Sexually offensive speech and conduct are inappropriate to the harmonious relationships necessary to the operation of the school environment.

Sexual harassment is defined as any unwelcome sexual advances or visual, verbal, or physical conduct of a sexual nature. Any conduct which creates an offensive and hostile learning environment is sexual harassment. Sexual harassment involves a wide variety of behaviors between members of the opposite sex as well as members of the same sex. It should be clear some conduct which might be appropriate in a social setting between friends or even between individuals involved in a consensual relationship may not be appropriate in the school environment. Some examples of prohibited conduct are described below. These represent only samples and are not an exhaustive list of conduct that is defined by the District and the court as sexual harassment.

Physical Harassment

Unwanted physical contact of a sexual nature, including but not limited to fondling, groping, suggestive touching, impeding or blocking movement, hugging, brushing up against the body, and /or any other activity which causes contact or threat of contact that is unwanted.

Verbal Harassment

Sexual jokes, innuendo, suggestive comments, unwanted sexual advances, propositions or request for companionship, offering advancement or increase in benefits or reprisals, demotions in exchange for sexual activity, offensive comments about an individual's body or body parts.

Non-Verbal Harassment

Staring, leering, obscene gestures, displaying or distributing offensive or sexually suggestive objects, pictures, cartoons, drawings, or posters, making or airing suggestive or insulting sounds/noises and/or writing or distributing offensive, suggestive, or obscene notes or letters. The term offensive or obscene refers to any conduct, activity, words or sounds that an average person of normal sensitivity would find offensive or obscene.

A child who feels he/she has been sexually harassed or are being sexually harassed should not remain silent. The incident should be reported to the vice principal who will inform the district affirmative action officer who will begin an investigation into the action. We will respect the confidentiality and privacy of the individuals reporting or accusing sexual harassment to the extent reasonably possible.

COMPUTERS

Students are to treat the computers with care and use them only for educational purposes. Any misuse of the computers may lead to disciplinary action or permanent removal from the class. All incoming students are required to review and sign the Acceptable Use Policy Form. These guidelines remain in effect for the student's entire school career at Southern Regional.

ZERO TOLERANCE FOR GUNS ACT (Chapters 127 & 128 of the Public Laws of 1995)

These two statutes support specific goals of the Safe Schools Initiative. Pupils who possess firearms or who commit assaults with a weapon other than a firearm must be immediately removed from the regular education program and provided with an alternative program, pending a district Board of Education hearing.

CORRIDORS:

Students must have a hall pass in their possession at all times when in the hallways of the middle school while classes are in session. The hall pass is issued monthly and kept in the possession of the student. When the

student is given permission to leave class, he/she fills out the pass and has it signed by the teacher. Students are not permitted to leave class without this pass. It is important that they keep it with them at all times. This pass is not transferrable, and there are penalties for its misuse.

Bus Rules

A majority of the students at Southern Regional are dependent upon bus transportation to get to and from school. This means that for everyone's safety and comfort, a few reasonable and necessary regulations must be stated and enforced. Students must:

1. Be on time to your designated bus stop. It is suggested students arrive seven minutes early.
2. Wait for the bus to come to a complete stop before attempting to board.
3. Sit in their assigned seat. Remain seated while the bus is in motion.
4. Keep hands and head inside the bus at all times. Do not throw anything inside the bus or out of the window.
5. Not eat or drink on the bus.
6. Not participate in horseplay.
7. Be courteous to other pupils and the driver. Use appropriate language and a quiet voice.
8. Use seatbelts where provided.
9. All school rules are in effect while on the bus. Follow all instructions given by the driver.
10. Ride their assigned bus, including the activity bus, unless a written note has been received and verified by the Main Office. This is for emergency use only, not social.
11. Acknowledge the driver as the person of authority on the bus. Students who are uncooperative or unmanageable will be reported by the driver to Administration for disciplinary action.
12. Realize that if referred to Administration, they are subject to disciplinary action, including seat change, administrative or extended detention, in- or out-of school suspension, Saturday school, restitution for damages, or suspension from the bus. In the case that a bus suspension is warranted, parents or guardians are responsible for providing transportation to and from school. (NJ Statute 18A:25-2)
13. Bus passes to ride a bus other than your regularly assigned bus will **NOT be issued on half days.**

Activity Bus Rules and Procedures

1. Activity busses are a privilege available for students staying for extra-help, make-up work, detention, or any school-sponsored activity.
2. A "late bus pass" and current school ID are needed to board an activity bus. Students must have a pass from the teacher, advisor, or coach with whom he or she stayed in order to ride an activity bus. Groups that meet daily, such as athletics will receive a special laminated pass. Faculty supervisors for all other meetings will issue a bus pass at the end of the activity period.
3. Students who leave school property after school will not be permitted to ride an activity bus. Any student who leaves school property and then attempts to board an activity bus is subject to disciplinary action.
4. Students must ride their assigned late bus home. Students who ride a different bus without written permission are subject to disciplinary action.
5. All regular bus rules are in effect.
6. Students may not attend after school athletic events unless accompanied by a chaperone or parent/guardian.

After School Activities

When chaperones for after school sports are provided, students may stay after to watch using the following procedures:

1. Stay with a teacher until 3:00 p.m.
2. Report to the event chaperone at 3:00 p.m. You must have a 3:00 bus pass.
3. The chaperone will collect the 3:00 p.m. pass and provide you with a 4:45 bus pass.
4. Students must remain with the chaperone during the event.

USE OF DRUGS OR ALCOHOL

It is our goal to create a caring atmosphere and quality learning environment for each student. Since the misuse of drugs and alcohol by any one student may create an impediment to learning, as well as endanger the safety and well-being of other students and faculty, the Southern Regional School District works in cooperation with the Ocean County Prosecutor's Office to control drug activity at the school. This cooperation includes but is not limited to random searches using trained dogs.

The school system has a responsibility to provide channels for help and assistance to students whose health may be in jeopardy. In addition to the disciplinary measures previously stated for the use of drugs/alcohol, students are subject to urine testing. In order to help provide a safe and drug-free environment for Southern students, the Board of Education has established procedures for on-site urine testing. The following facts give an overview of the procedures:

1. Any student **suspected** of being under the influence of drugs and/or alcohol or suffering from the effects of previous use of drugs or alcohol **will** be referred to the principal.
2. The principal and/or her designee may require a student to submit to a witnessed urine test. No testing will be random. There must be a basis for suspicion. Students who do not submit to testing will be released to parents for a test to be completed by their physician at their expense. Samples will be analyzed and written results will be provided within a timely fashion.
3. Students with positive results will enter a contract with administrators and parents which will include continued testing and/or disciplinary actions depending upon the student's individual circumstances.

It should also be known that any student dealing or using drugs in a Drug-Free School Zone is subject to **\$500.00 fine, 100 hours of community service, and revocation of driving privileges. Minors under the age of 17 who are convicted will have licenses withheld for six (6) months beyond their 17th birthday.**

DEALING

In cases of suspected drug/alcohol dealing, an investigation shall be conducted by the principal (in conjunction with the local police if deemed appropriate by the principal) with the objective in mind of permanent removal of any student dealing drugs or alcohol. Such removal to be in accordance with all current statutes and codes.

THE BOARD OF EDUCATION AND ADMINISTRATION WILL TAKE THE NECESSARY STEPS TO ENSURE THAT SOUTHERN REGIONAL REMAINS FREE OF HARMFUL SUBSTANCES.

This may include, for reasonable cause, the search of students and/or their lockers by school officials and/or the use of police dogs to determine presence of drugs and/or specific tests or examinations which might reveal the presence of drugs.

OTHER DANGEROUS SUBSTANCES

- Dangerous substances are not permitted in school.
- Cigarettes are not permitted and will be confiscated.
- Seek help if you or a friend in need help.
- Serious penalties for use, possession, or distribution of alcohol and other drugs.

Student Grievance Procedure

Recognizing that all students are entitled to "due process" and that mitigating factors may be involved, any student has the prerogative of requesting an appeal of assignment of suspension, expulsion, or other penalties

applied under these guidelines:

1. Any student who desires to have his/her case or behavior reevaluated may, within five (5) school days, request that the building principal review his/her case.

Dear Parents,

As you may be aware, a portion of this county may be affected in the event of a problem at the Oyster Creek Nuclear Generating Station. While it is highly unlikely that a plant condition could warrant protective actions, it is wise that our residents be trained and prepared for the remote possibility.

The State, County, and your Municipality have combined resources to prepare a detailed plan for an emergency. This message is a part of a public education program to acquaint you with details which affect your school children.

In the event of an emergency, the first action may be IN-PLACE PROTECTION/SHELTERING. At this level, students will remain indoors to reduce or eliminate exposure. If the plant condition continues, long before the public is in danger, an evacuation will be ordered. Specific plans have been developed for transportation routes, drivers, and other resources necessary to remove school children to safe locations.

Your child registered in the Southern Regional School District will be transferred, with adult supervision, to the Richard Stockton State College in Pomona, Atlantic County, where they will be registered and cared for until your arrival to pick them up and reunite with family.

PLEASE READ AND KEEP ACCOMPANYING SHEET WHICH SUMMARIZES THE INFORMATION YOU NEED TO KNOW! PUT IT IN A PLACE WHERE IT CAN BE FOUND FOR QUICK REFERENCE.

If you need additional information, my staff and I will be pleased to help you.

Mrs. Lorraine Airey

If you wish to give any other adult authorization to pick up your child, please notify school officials and follow their required procedures.

This institution complies with the provisions of Section 504 of the Rehabilitation Act of 1973 and the American Disabilities Act. Inquiries regarding compliance may be directed to Mrs. Airey, the Principal.

Chairperson 504
