RE: Orientation for incoming 7th graders

The SRMS orientation for new students is planned for Tuesday, Aug. 25, 2020.

This year's orientation will have a blended format: the "informational meeting" portion of orientation will be accomplished virtually via video and the "building tour" portion will be in-person.

Appointments for building tours will be offered on August 25 every 10 minutes from 10:00-11:00AM, 1:00-2:00PM, 3:00-4:00PM, and 6:00-7:00PM.

A detailed informational letter will be emailed to 7th grade families on Tuesday, Aug. 18 with instructions for accessing the orientation video, the building tour appointment scheduler, and the preliminary schedule.
