

Extending the In-Person Pause

Due to the continued increasing rate of COVID+ cases in our community and the impact these cases are having on our ability to adequately staff and sustain operational integrity, Southern Regional will extend the current in person pause through the week of January 19, through January 22. Students should follow the real-time synchronous remote learning model that is currently in place by logging-in to first period at 9:00 a.m. on Tuesday, January 19.
