

## Southern Regional's Return to Hybrid In-Person Instruction Scheduled for Monday, January 25

Southern is planning to return to hybrid in-person instruction on Monday, January 25. The return to in-person instruction will continue to utilize the alternating day A – B groups (refer to the hybrid calendar posted at <https://www.srsd.net/Calendars>). Monday, January 25, is an A day. The option for students to remain all virtual will continue.

Within this return there will be an operational change from the previous hybrid model. All instruction will be real-time synchronous. Each student will follow her or his regular class schedule. Students who are not attending in-person will be required to login to each class' Google Classroom at the time of each regularly scheduled instructional period. Below is the instructional period log-in schedule.

Period 7	12:42
Period 8	1:30

A primary reason Southern successfully accomplished 66 days of in-person instruction prior to the current pause was the vigilance and transparency with which families reported COVID+ cases and close contact determinations. In preparing for the January 25, in-person reopening it is requested that COVID impact reporting resumes during the remainder of the current pause mode so as to inform anticipated in-person enrollment and attendance data.

The District is currently experiencing the trend of students who were virtual switching to hybrid in-person. Parents who want to transition virtual students to in-person students can do so by contacting their daughter or son's assistant principal.
