

Dear Members of the Class of 2020,

Thank you for your participation and cooperation with your Cap and Gown distribution process. With that process completed it is now time to inform you about the next phase of your Graduation Experience which is Diploma Distribution. Diplomas will be distributed, by appointment, and be coupled with the opportunity for you to get a picture in your Cap and Gown in the Stadium. This is optional but we hope all members of the Class of 2020 will participate.

Appointments will begin on Monday, June 1 and run through Tuesday, June 9 between the hours of 10:00 a.m. and 8:00 p.m. Again, you will need to make an appointment in advance to participate. Extending beyond June 9, is a possibility that will be informed by how many of the Class are still needing to make an appointment.

So as to share this special moment with your family you can have up to four members of your immediate household attend with you. All social distancing guidelines and face coverings will be adhered to. Each Graduate can have **no more than four family members** (parents/legal guardians and siblings). This will be strictly enforced. Also, being timely in adhering to your appointment schedule will be critical to the success of this initiative as will attention to the details that you will receive when your appointment is confirmed. Thank you in advance for your cooperation with this component.

The 11/12 Gymnasium will also be set up as an alternate site in the event that your appointment falls on a day of inclement weather.
