September 2021

Dear Parents and Guardians of the Class of 2022, 2023 and 2024,

The classes of 2022, 2023, and 2024 will co-host a Gift Auction on Thursday, November 18th with the proceeds being split amongst the classes. We are looking for adult volunteers to work on the soliciting of donations and gift items from area businesses and to work on gift baskets. If you are willing to help, please notify us on what business you will be notifying, so that we do not overlap.

We are also hoping for small donations from our class families. If you have a gift card you know you will never use or a new item in your house for which you have no use, we will gladly accept them; no item is too small. Prizes such as jewelry, gift cards, sporting items and candles, etc. can be used to create larger, beautiful baskets and are greatly appreciated. Of course, we also hope for donations of some larger items such as bikes, TVs, electronics, etc. Prizes of varying value make for a fun (and profitable) evening for all.

If you are willing to help us out in any way, please let us know. If you are able to serve on the "short term" auction committee, please email one of us with your name and phone number and we will contact you immediately. If you are able to donate item(s) for the auction, please email one of us for pickup (or if you are able to do so, gifts can be dropped off in the 11/12 main office, to the attention of the Gift Auction.)

We hope you will be able to join us the evening of the Gift Auction, Friday, November 18th, in the Middle School cafeteria. The doors open at 5:30 with the drawings beginning at 7:00. We promise to offer a fun-filled evening with great prizes.

Our goal is to earn enough money to help defray the costs of future activities for the Classes of 2022, 2023, and 2024. With your generous help, we can make this a reality. Thank you for your anticipated support.

Sincerely,
