### Breakfast Offer versus Serve Procedure

Southern Regional School District:

Offer versus serve (OVS) is a procedure for reimbursable meals that allows students to decline a certain number of food components in the meal in order to reduce plate waste and food cost.

A school breakfast eligible for federal reimbursement shall offer four (4) food *items* from the three (3) food *components* in the appropriate amounts per grade grouping:

- Fruit or vegetable or juice,
- Milk,
- Grains ( Including optional meat/meat alternate)

Students are allowed to decline one (1) of the four (4) *items* offered.

The student's decision to accept all four (4) food *items* or to decline one (1) food *item* shall not affect the price charged for the meal. The breakfast is priced as a unit. If children do not choose enough food items to comprise a reimbursable meal, a la carte prices will be charged.

School staff cannot make exceptions to the procedure, such as requiring every child to take a particular food component. It is the student's choice to select any three or all four food items of the reimbursable meal.

At each school implementing the Offer versus Serve Procedure, school food service staff will be trained annually.

Offer versus Serve will be implemented in all Schools
