

Guidance

GRADING & WEIGHTING INFORMATION

1. Report cards will be issued quarterly and will indicate grades, numbers of absences and teacher comments.
2. Progress reports will be issued midway through each quarter.
3. Quarterly report cards and your final transcript will report your grade numerically. The following grade equivalents apply:

92 - 100	A (outstanding)
83 - 91	B (very good)
74 - 82	C (satisfactory)
70 - 73	D (below average)
69 and Below	F (unsatisfactory, no credit)
P	Passed
NP	Not Passed
EX	Medical
In	Incomplete
WP	Withdrawal Passing
WF	Withdrawal Failing*
NC	No Credit

* All courses that receive a "WF" will continue to be reported on the student's transcript even when a student has been rescheduled for another class.

4. Mid-term and final assessments are given for all full-year courses. Final assessments are given for semester courses.

WEIGHTED COURSE RANKING

Differential weighting rewards students for undertaking courses which make increased demands upon them, encourages students to enroll in such demanding courses, and assists colleges in implementing their admissions policies.

The following courses are subject to weighted course rankings:

English I Honors	Honors Geometry	Biology I Honors
English II Honors	Honors Algebra II	French IV, V, VI
English III Honors	Calculus I AP	Spanish IV
English IV AP	Calculus II AP	Spanish Language AP
U.S. Government & Politics	Biology II AP	Spanish Literature AP

AP		
U.S. History I Honors	Chemistry I Honors	Latin IV
U.S. History II AP	Chemistry II AP	German IV, V
Statistics AP	Physics	I Japanese IV, V
	Honors	
Honors	Physics II AP	Studio Art AP
Trigonometry/Precalculus		
		Music Theory AP

WEIGHTING CALCULATION

Student grade point averages and student class rank will be calculated using only numerical grades. The following weighted factor index will be used for computing the numerical averages.

Passing Grades	Multiply grade by 1.13
Failing Grades – 69 and below	No weight given
