

SOUTHERN REGIONAL MIDDLE SCHOOL

# COMPUTER PROGRAMMING CLUB

---

Southern Regional Middle School's Computer Programming Club is an afterschool club in which students have the opportunity to create games, animations, and interactive applications using Scratch and Python. Students can compete with others in the class, showing off gaming skills and typing speed. Using design thinking and logic, students translate their ideas into working applications.

Paula Caiazzo [pcaiazzo@srsd.net](mailto:pcaiazzo@srsd.net)

MS Room: A-8

Full year, Every other Tuesday, 2:15 – 2:55
