

SOUTHERN REGIONAL MIDDLE SCHOOL

DAVID'S DREAM & BELIEVE CLUB

David's Dream & Believe Cancer Foundation is 501(c)(3) nonprofit that raises funds to provide financial assistance, wellness services, and HOPE to families primarily in NJ, affected by a cancer diagnosis. This group works hand-in-hand with David Caldarella, Steve Crisalli, and the rest of the Board of Directors to promote awareness to the middle school student body. The group raised money for those in need by having a Christmas wrapping fundraiser as well as Penny Wars during Competition Day. In addition, the group sends out well wishes to those struggling to beat cancer. An inspirational club from the get-go, the DDBCF at the middle school has already touched many hearts through their hard work and dedication.
