

SOUTHERN REGIONAL MIDDLE SCHOOL

# VARIETY SHOW

---

The Middle School Variety Show highlights the various talents of our middle school students. Interested students audition for a spot in the show. If selected, the participants practice and then perform at an evening performance held in the Southern Regional High School auditorium.

MS Room: A-9 & N-2

Auditions are typically at the end of February, and performers are required to practice on their own regularly and in front of the advisors at least 3 separate times before the night of the show. In addition, two mandatory practices are held the week of the show, one from 2:15-2:55 and one from 2:15-5:15.
