

SOUTHERN REGIONAL MIDDLE SCHOOL

WINTER INTRAMURAL SPORTS

Intramurals provides an opportunity for all students who are not involved in a winter sports to participate in organized games and sports after school. The group promotes good sportsmanship, competitive play, and a fun atmosphere . Days vary depending on the winter athletic schedule and will be posted outside C-12 at the start of the week.

Students must have a signed Winter Intramural permission slip to participate for the season (located on the wall outside C-12). Students must sign up in an available slot each day intramurals are offered, and space is limited, so first come first serve. Students must wear sneakers in order to participate.
