

SOUTHERN REGIONAL MIDDLE SCHOOL

DRAMA CLUB

Drama Club presents one fully staged production a year, highlighting students' talents in the performance areas of acting, singing, movement, and backstage work. All 7th and 8th grade students are eligible to submit an audition and interest form to be considered for the production. The group meets daily for rehearsals from 2:15 – 2:55 pm or 5:00 pm, and performances take place in February during the school day and evenings on the middle school stage. All performers are welcome!
