

SOUTHERN REGIONAL MIDDLE SCHOOL

# S.T.Y.L.E.

---

S.T.Y.L.E. is a leadership group that students are invited to join in May of their 7th grade year. Students that are invited to join must be in good academic standing and must conduct themselves in a positive manner on a daily basis. Goals include training students to be leaders within their schools and working within the local community. Activities include team building amongst our group as well as with 6th graders from some of the surrounding schools, reading to the surrounding Elementary schools, and working within our building.
