

SOUTHERN REGIONAL MIDDLE SCHOOL

COMPUTER PROGRAMMING CLUB

Southern Regional Middle School's Coding Club is an afterschool student club in which students have the opportunity to create games, animations, and interactive applications using Scratch. They can compete with students in the class, showing off their gaming skills. They can also try their hand at robotics with a mini ozobot. Using design thinking and logic, students translate their ideas into working applications.

Kelly Carmona kcarmona@srsd.net

MS Room D-2

Full year, Every other Tuesday, 2:15 – 2:55

See SRMS Student Bulletin for meeting dates
