

SEAHAWKS

SUMMER 2017

SOUTHERN REGIONAL MIDDLE SCHOOL

BACK TO SCHOOL REMINDERS

Welcome to the 7th grade at Southern Regional Middle School! When school opens in September, you will be joining the Seahawks, a group of approximately 120 students. Your teachers have already begun planning several activities and learning experiences to make your first year in the middle school an exciting and rewarding one!

On back, you will find a “School Supply Checklist” for the items you will need to begin the school year. Please remember to complete your “Summer Reading Program” packet before the new school year begins. If you need a copy, you can download one from the Southern Regional website at srsd.net.

Your teachers on the Seahawks hope you and your family have a fun, relaxing, and safe remainder of the summer! We look forward to meeting you in September!

to every person we
meet.*

*To make all our friends
feel that there is
something worthwhile in
them.*
