Making Waves Wherever We Go!!!

August 2017

Dear Students and Parents:

We would like to welcome you all to the Riptides. We look forward to meeting all of you. Below is a list of your Riptide Team teachers for the 2017-2018 school year.

**Mrs. Stefanski for English**  
**Mrs. McCloskey for English Lab**  
**Mrs. Manna for Math**  
**Mrs. Hannum for Math Lab**  
**Mr. Phillips for Social Studies**  
**Ms. Bechold for Science**  
**Mr. Burke as Guidance Counselor**

The Riptides are excited to welcome Mrs. Hannum and Mrs. McCloskey to our team this year. We are looking forward to working with each of them this year. Seventh graders; we look forward to guiding you through the ins and outs of SRMS and watch you mature into well rounded middle school students. SRMS has so much to offer all students and our hope is you get involved and take advantage of some of the great programs we offer here.

A list of supplies is on the reverse side of this letter. It is your responsibility to maintain these materials, along with your subject textbooks, throughout the year.

**Parents, here is some information especially for you:**

Your child will have homework to do on a regular basis. All of your child's team teachers require students to use their student agenda book. We will provide clearly written assignments on the board and on individual teacher's web pages. It is important students write their assignments in their agenda books each day. You can also check our teacher webpages daily by logging into [www.srsd.net](http://www.srsd.net) and clicking on the Riptides link. Be sure to check these several times a week so that you and your child will stay on top of things.

As always, if you have any questions, send in a note, call, or email us. We look forward to meeting you!
