

The Titans

Summer, 2017

Dear Student,

Welcome to the Titans! Words cannot express how much we look forward to the 2017-2018 school year. We are overwhelmingly proud in knowing that you will be a part of a tradition that begins and ends with PRIDE in *all* things. As a new school year approaches, we envision your success, commitment, and achievement. *You* can be excited in knowing that your teachers plan to introduce and instruct you in the skills necessary to achieve your maximum academic potential, as well as provide you with a fun and caring learning environment.

Let us first take a moment to introduce ourselves:

Mr. Bill Beers ~ Math
Mrs. Heather Beattie ~ Integrated Math Lab
Mr. Jason Lister ~ Language Arts
Mrs. Marissa Reynolds ~ Integrated Language Arts Lab
Mrs. Kelly Bechold ~ Science
Mr. Bill Smith ~ Social Studies
Mrs. Lisa Benson ~ Guidance Counselor

TEAM TITAN teachers all have common expectations:

- *All students* work to meet classroom expectations and follow school rules.
- *All students* are respectful to themselves, their peers, and their teachers.
- *All students* are responsible for themselves, their materials, and their work.
- *All students* come to class prepared with communicated items and their agenda book. (Agenda books are provided to students on the first day of school.)
- *All students* use their agenda books daily to record assignments.
- *All students* complete assignments thoroughly, on time, and in a condition of high quality.

(It is the responsibility of the student to request, complete, and hand in any missed assignment).

Note: Computer access is MANDATORY in 7th grade. If a home computer is not available, parents should plan for their children to attend Homework Habitat regularly (2 to 3 times per week) or visits to the local library for access.

TITANS SUPPLIES:

<p><u>Math/Math Lab</u> 1" binder Pocket folder 5 dividers Filler paper Composition book: (if possible containing graph paper) Four color pen or 4 different colored pens JUMBO Book Sock Scientific calculator**: (similar to the TI-34 Multi-View)</p> <p>**Note: If your child is in Advanced Algebra I, you may want to consider purchasing a TI-84 Graphing calculator. General Supplies: to be used for all classes

- Highlighters
- Colored Pencils
- **Two packages of hole reinforcements.
(This will help prevent papers from tearing out accidentally.)
- One hole puncher that can be attached inside a binder.
- Pencil bag(s) that can be attached inside a binder.
- Pencil Sharpener
- Accordion Folder (for homework and paper organization)

ELECTIVE CLASS SUPPLIES:

- ❖ 1" binder with dividers, pocket folder, and paper to be used for elective classes (Foreign Language-Spanish, Art, Applied Technology, Music Appreciation)

Do not forget to complete the summer reading! If you have any questions, contact Mrs. Benson. Enjoy the rest of your vacation and we will see you soon!
