

Dear Southern Parent or Guardian,

Welcome back to another exciting school year! The Southern Regional Home & School Association is focused on benefiting all of the students in our district. Since the inception of the Southern Regional Home and School Association, our Executive Committees and charitable members have fundraised and allocated thousands of dollars to the appreciative teachers and deserving students of the Southern Regional School District. Our fundraisers provide the resources to carry on with student scholarships, teachers' grants and Project Graduation for our Seniors. Our memberships are the bedrock of these contributions, so your \$5.00 a year goes a long way! This letter includes information for the upcoming school year. Please complete the enclosed membership application and return to SRHSA so that we can continue to assist our kids here at Southern Regional. As an HSA, we do not pay dues to any national organization and all proceeds received, go directly to the schools within our district.

2021-2022 General Meetings

Meetings for the school year will be determined as per school district administration approval.
