

The Southern Regional School District is closed effective Monday, March 16. The duration of the closure is yet to be determined.

The *Remote Learning Plan* will begin Monday, March 16. The schools will be accessible during normal school hours for students who need to get personal belongings or meet with administrators, counselors, Child Study Team members as *The Remote Learning Plan* is implemented.

All athletics, performances and evening events will be suspended until further notice. The administration, athletic directors and music supervisor will meet on Monday to determine both a short-term and long-term plan.

Information and updates will continue to be published as we work together through this new adventure.
