To Vocational School Students, Parents/Guardians:

Welcome to the beginning of the 2017-2018 school year. Your son/daughter will be attending the Ocean County Vocational Technical School (OCVTS) on a shared timed basis. The schedules for Southern and OCVTS **do not** align perfectly, which may create some confusion. I will periodically be sending you an updated schedule to keep you aware of any updates and/or changes. Most of the situations that occur throughout the year can be summarized using three different schedules (designated A, B, and C) which are detailed on Page 2 of this letter.

The procedures for the first two days of school are outlined on the reverse of this letter.

All of these schedules (along with updates and/or changes) can also be found on our website (srsd.net) throughout the year.

One important additional note:

Students **are not permitted** to drive to any vocational school site.

All students are transported to vocational schools via Southern Regional transportation.

If you have any questions or concerns, please contact me at scraig@srsd.net or 597-9481, ext. 4572. Enjoy the remainder of your summer; I look forward to seeing you in September.

Sincerely,

Susan M. Craig
Assistant Principal

Tuesday, September 5th (Southern 11:50 am dismissal)
