# *Letter from the Superintendent*

The Southern Regional School District is comprised of two schools—Southern Regional High School and Southern Regional Middle School. The students in each school are provided with dedicated staff members and a wide breadth of academic and co-curricular programs that are offered in a nurturing learning environment.

Every student in every grade has the opportunity and is strongly encouraged to be involved in performing arts, athletics, clubs, or other extra-curricular activities. The Southern Regional Board of Education fully supports the current array of courses, programs, and extra-curricular activities while maintaining a commitment to expanding the opportunities whenever possible and prudent.

Research has demonstrated that students who are involved in extra-curricular activities, clubs, drama, or other events usually are more successful in their classes. The information and the events highlighted in this calendar only skim the surface of the activities being conducted daily. I urge every student to take full advantage of all that is offered. If they do, they will enhance their Southern Experience and will enjoy their middle and high school years to the fullest.

## *Mission Statement*

*Craig E. Henry*

The Southern Regional Experience, a community partnership, will assure our students challenging learning opportunities that are shaped by the New Jersey Core Curriculum Content Standards in order for them to become contributing members of society. We are "Committed to Excellence".

## *Belief Statements*

### **We Believe That:**

- **All students possess unique talents and will be challenged and successful.**
- **All students will feel comfortable in a safe, nurturing environment that is established through mutual respect, acceptance and a sense that everything is valued by all involved.**
- **Every student should have physical and emotional security in an environment that stimulates learning and recognizes each individual's self-worth.**
- **Motivation is an essential element of learning.**
- **Everyone wants to be, and can be, productive.**
- **A good education provides a foundation for a productive, well-rounded contributing member of our community and is the shared responsibility of parents, school, and the community.**
- **The role of the community is to be informed and to provide facilities, materials, and personnel in a spirit of cooperation.**
- **The school should provide comprehensive curricula which offer students diversity of choice in an environment which stimulates learning and growth.**
- **The district has the responsibility to be a good steward of the financial resources provided by the community.**

# High School Administration & Leadership Team

## ***To Parents and Guardians:***

It is with great excitement and enthusiasm that the educational community here at Southern Regional welcomes you into the high school. The educational community consists of the students, teachers, support staff, administration, and the Board of Education members.

The goals and expectations that we have for our students are extremely high. The teaching and administrative team believe that the higher the expectations, the greater the achievement that will be obtained by the students.

The staff here at Southern Regional will play an integral part in your child's education through classroom activities as well as co-curricular experiences. Parental involvement is imperative when attempting to build a bond between the school and the community.

Please use this Student-Parent Calendar as a resource to assist in understanding the rules and regulations that govern the students. This calendar will also provide contact numbers that will enable both students and parents the ability to remain informed of school events and resources.

The educational team looks forward to working with you.

Sincerely,  
Eric V. Wilhelm, Principal

# Welcome to Southern Regional Middle School

It is with great pleasure that we take this opportunity to welcome you to Southern Regional Middle School. We are extremely proud of the programs we offer to our students and encourage you to make the most of your time with us.

This calendar has been developed by our faculty and administration to help you and your parents learn as much as possible about the activities and services we offer to our students as well as to familiarize you with our procedures. It is a quick reference guide that you will find extremely useful as questions arise throughout the school year.

We encourage you to become an active member of Southern Regional Middle School. We offer many activities, clubs and sports that provide our students the opportunities to grow and mature. The "Commitment to Excellence" is our never-ending goal.

We look forward to the school year with great excitement and hope all our students will have a rewarding and successful year. Once again, welcome!

Mrs. Lorraine Airey, Principal  
Dr. Elisabeth Brahn, Assistant Principal  
Mr. Jan Kristbergs, Assistant Principal

## About The Middle School

Southern Regional Middle School provides its students with a unique educational environment. The school is comprised of two different grade levels with students coming from three constituent and one sending district.

Southern Regional Middle School is teamed with four teams at each grade level. Teams consist of four core subject teachers and a guidance counselor who meet twice a week to plan and address student needs. Teams facilitate communication between school and home. SRMS educators have taken the challenge of developing a program that is both rigorous and student-centered.

Individual educational programs for students with special needs may take many forms and include both in-district and out-of-district programs. At Southern Regional Middle School, several special education programs are available: Resource Room, Self-contained, In-Class Support, Mainsail, Compass, Physical and Speech Therapy. These programs are designed to meet the needs of those students who, due to a handicapping condition, have difficulty learning in regular classroom settings.

Mentoring, Peer Mediation, Peer Leadership, and Substance Abuse Prevention Programs are all offered as a part of the Middle School's student assistance programs. These programs, among others, provide students and their families with pro-active opportunities to function successfully in school, at home, and in the community.

Southern Regional Middle School students are afforded interscholastic and co-curricular programs. Students are encouraged to participate in extra-curricular programs to assist them in becoming well-rounded individuals.

SRMS students have frequently received recognition and awards for their achievement from the Ocean County Math League, the Thinking Cap Quiz Bowl, the Stafford Township Arbor Day contest, Stockton College, the All South Jersey Band, the All South Jersey Orchestra, and the American Scholastic Press Association Awards for the school's literary magazine and yearbook. SRMS student athletes have also garnered frequent recognition for their individual and team achievements. SRMS is an exciting place to be! All students are encouraged to find an activity through which to explore their interests.

## Snapshot of Southern Regional High School

The Southern Regional High School District has long been recognized as an incredibly comprehensive, innovative, and challenging school system that prides itself on its multitude of programs, progressive initiatives, and boundless energy. Driven by an extremely qualified and competent faculty, Southern Regional is determined to be a leadership force in education.

**Southern Regional offers over 200 courses from which students can select.** The courses are designed to appeal to a wide variety of student interests. Advanced Placement courses are offered in English, history, mathematics, science, art, music, and world languages. Technology-related courses, from the traditional to the highly technical (electronics, graphics, and photography lab, computer assisted design, programming, and Internet), focus on problem solving, experimental design, and creativity. The health and physical education program is elective-based with a strong emphasis on lifelong wellness and making intelligent lifestyle choices. Project Adventure, an outdoor education program is also offered. Additionally, Southern Regional boasts an "Honor Unit" Air Force Junior ROTC program that concentrates on aerospace science, leadership training, and community service.

The special needs of our students are addressed as well. **We offer autistic, self-contained, resource, adaptive success, and in-class support programs.** Mainsail (alternative) and ESL (English as a Second Language) programs are offered for eligible students.

In addition to the academic programs, Southern Regional offers students **over 70 co-curricular and interscholastic programs.** We strongly encourage all of our students to participate in these worthwhile activities and believe in the benefits of active involvement.

Through the Guidance and Student Assistance Programs, Southern Regional provides opportunities and support systems which counsel and assist students in making choices that will direct them to a more productive and successful experience.

Southern Regional High School is a school "Committed to Excellence" - excellence in our faculty, staff, students, and community. To this end, we hope to construct a learning environment in which our students are encouraged to serve, challenged to grow, and empowered to succeed.

## Parent Responsibilities

Parents are encouraged to:

- ⇒ Read the entire calendar to better understand the school's role in establishing the best educational program for their student.
- ⇒ Assist the school in this goal by encouraging daily attendance, prompt arrival to school, and arranging non-school related appointments for the student after school hours.
- ⇒ Confer with teachers when it seems necessary or desirable to do so. Appointments are made through the Guidance Office (597-9481, ext. 4315 H.S. or ext. 4225 M.S.).
- ⇒ Report any change in student information immediately to the appropriate Guidance Office.
- ⇒ Attend Back to School Night on Thursday, September 20th, at the Middle School and Thursday, September 27th, at the High School. The school faculty, administration, and Southern Regional Home & School Association (SRHSA) jointly sponsor the Back to School Night. On this evening, parents will meet the teachers to discuss the overall education program for the upcoming year. Notices will be sent home announcing this event.
- ⇒ Join the Southern Regional Home & School Association, an organization that affords all parents/guardians the opportunity to become active in their child's school by raising monies for class funding, staff mini grants, and scholarships. Meetings are held the 2nd Tuesday of each month in the SR Administration Building at 7:00 p.m. Applications for membership are available in any school main office or contact Heather Tatur, Spokesperson, [Homenschool@srsd.net](mailto:Homenschool@srsd.net) or visit our webpage at [www.srsd.net](http://www.srsd.net)

**When school is closed because of a storm, other emergencies, or delayed opening, the information will be broadcast by radio stations WBHX-99.7 FM, WJRZ-100.1 FM, and WOBB-92.7 FM.**

**Information is also broadcast on Southern's SNN channel, on the SRSD website, and via a Global Connect System.** Local police may also be called for information.

# General Information

## Student Dress Expectations

Creating an optimal learning environment requires that many elements be combined. One very important element is establishing personal appearance guidelines for everyone who participates within the learning community.

Students are expected to present themselves in a neat, clean, and orderly condition. Clothing should be appropriate for learning and reflect a healthy, business-like atmosphere. Modesty is essential and will be demanded. Revealing, suggestive, or distracting clothing is not conducive to learning and is therefore not permitted.

Examples are:

- Every student should be clean and fully dressed. Attire should not be injurious to health and welfare, or disruptive to the educational process.
- Hats, bandannas, or head coverings are not to be worn during the school day and will be confiscated.\*\*
- Footwear is required at all times. Slippers are not permitted.
- Pajama bottoms and tops are not allowed.
- Clothing indecently patched or torn is unacceptable.
- Clothing must cover all undergarments.
- Sunglasses are not to be worn in the building.
- Gloves are not to be worn in the building during the school day.
- Skirts and shorts should be of a suitable professional length as determined by the administration.
- Skirts, shorts, and pants must cover all bare skin at the waistline and no undergarments should be visible.
- Inappropriate Shirts
  - \* off-the-shoulder sleeves
  - \* halter tops
  - \* undergarments visible
  - \* tube tops
  - \* bare midriffs
  - \* offensive writing or graphics

**All of the above are unacceptable and are in violation of dress code policy. See the DRESS CODE in the Student Agenda Book for more details.**

\*\*Parents should contact the grade specific Assistant Principal to make arrangements for the return of confiscated item(s).

The dress guidelines as previously explained are in effect at school functions (plays, concerts, and co-curricular programs). Hats may be worn at athletic contests only. There are, however, special activities in the school such as gym, band, science, foods labs, shops, etc., where special dress is required during that class period with the teacher's approval.

School dress standards exceed the dress expectations of other segments of the student's daily activities. Student recognition within a school should be on a basis of accomplishments and achievements and not as a result of a distracting or unhealthy appearance. Understanding these basic expectations, coupled with the willingness to meet these standards, will both enhance student performance and contribute to a successful learning environment.

If a student does not dress in accordance with the above policy, he/she will be given an opportunity to conform. A student will not be allowed to participate in any co-curricular or class activity if dressed inappropriately.

Administration reserves the right to change the dress code standards at any time based on the ever changing fashion climate.

## Visitors To The Building

Student visitors to our school are not permitted during the school day. Adult visitors are welcome but must make arrangements with an administrator prior to the visit to obtain a visitors pass.

## Lost And Found

Personal articles may be found in the Main Office. Clothing, textbooks, and notebooks may be found in the cafeteria.

## Discipline Code

**Philosophy:** All students are expected to exercise self-control and conduct themselves as young ladies and gentlemen at all times. The behavior of students should reflect the standards of good citizenship expected of members in a democratic society. Students shall, at all times, respect constituted authority and the rights of others. High standards of courtesy, decency, morality, appropriate language, honesty, and wholesome relationships with others shall be maintained at all times. While public education is a right of American youth, it is not an absolute right. Students do not have the right to deny other students the opportunity of being educated.

## Student Discipline Code

Pursuant to N.J.S.A. Title 18A:37-1 et seq., which clearly states, "Any pupil who is guilty of continual and willful disobedience, or of open defiance of authority of any teacher or person having authority over him, or the habitual use of profanity or of obscene language, or who shall cut, deface, or otherwise injure property, shall be liable to punishment and to suspension or expulsion from school." Southern Regional Board of Education does hereby establish this policy and its penalties to protect the health and welfare of all students and employees.

## Administrative Alternatives

Failure to attend disciplinary assignments will not be tolerated and will result in additional disciplinary action and parental conferences.

## Detention Information

When you are assigned a detention, arrive on time. The detention period is to be spent in studying, doing homework, reading, or other appropriate gainful purpose. You are to bring the necessary books and materials with you. Classroom conduct will be expected. All Day Detention is a self-contained, full-day time of isolation during which students are expected to do school work. Procedures will be given to students when so assigned. Saturday Detention follows the same guidelines as stated in the detention section. The Saturday Detention is held in the 11-12 All Day Detention room from 8:30 a.m. to 11:30 a.m. Failure to attend an assigned Saturday Detention will result in further disciplinary action.

## Suspension Information

Out-of-School Suspension is the removal of a student from the functioning school day. A student may not attend any school function during the time he/she is suspended. The student is not permitted in the school building or on school property during the period of his/her Out-of-School Suspension. Any student who is suspended will be subject to a readmit meeting with the Assistant Principal or Principal. Subsequent suspensions may result in a conference with the Superintendent to determine the student's status and future in our school system. Listed below are the multiple suspension consequences that apply throughout the entire school year.

**First Suspension:** all policies and obligations apply during suspension period.

**Second Suspension:** same as above, plus loss of day trips.

**Third Suspension:** same as above, plus student may not attend or participate in interscholastic, intramural, or any other special event. (timeframe to be set by administration)

**Fourth Suspension:** same as above, plus loss of end-of-year activities such as Activity Day Picnic, Competition Day, Prom, and/or the Senior Trip.

\*Students presently involved in extra-curricular activities will be subject to the Extra-Curricular/Activity Participation Policy.

## Expulsion

It is hereby defined as a penalty imposed upon any student by the Southern Regional Board of Education after the recommendation by the building principal or his delegate prohibiting that student from attending the Southern Regional District Schools or any of its functions.

# HS Guidance Department

## Testing Program

The testing program in the high school is comprehensive, the High School Proficiency Test (H.S.P.A.) is administered in March each year. Successful completion of all sections of the HSPA is a state requirement for graduation.

Other tests available to students on an interest or need basis are: COPS Internet Inventory, Armed Services Vocational Aptitude Battery, Preliminary Scholastic Aptitude Test (P.S.A.T.), Scholastic Aptitude Test (S.A.T.), American College Testing (ACT), and Advanced Placement (AP) Tests for seniors.

## Schedule Changes

Decision-making responsibilities in the instances of requested schedule changes shall rest primarily with counselors. **Normally a schedule change will be entertained only during the first two weeks of a semester.** Changes made after the first two weeks of the semester shall result in a "WF" (Withdraw Failing) as a grade unless there are good and sufficient reasons approved by the administration. When a student is permitted to drop a course, every attempt will be made to fill that time period with another course.

## Transfer and Withdrawal from School

Anyone wishing to withdraw or transfer from school may do so by reporting to the Guidance Office where his/her counselor will provide the necessary forms, directions, and procedures. **A parent/student conference is required at the time of transfer or withdrawal.**

## Working Papers

Working paper applications are available in the Guidance Office. Completed papers are to be submitted for processing before homeroom daily or upon the completion of the school day. Students receiving working papers for the first time must show their birth certificate at the time of processing. All information must be complete, including parent, physician, and employer signatures.

## Student Records

Student records are available to the parent, adult student, and certain other persons in accordance with the procedures of this district and laws of this state. Student records are maintained in the following locations:

1. Guidance Office: cumulative record of academic progress, personal data
2. Attendance Office: record of daily attendance
3. Health Services Office: health history and physical exams
4. Assistant Principal's Office: disciplinary record
5. Child Study Team Office: if applicable

**This institution complies with the provisions of Section 504 of the Rehabilitation Act of 1973 and the American Disabilities Act. Inquiries regarding compliance may be directed to Mrs. Susan Craig.**

## Honor Roll

The school will publish an honor roll at the close of each quarter. Students receiving no grade less than "92" in all subjects will be listed on the High Honor Roll. Students receiving no mark below an "83" in all subjects will be listed on the Honor Roll.

## Program of Studies/Academic Planning

The counselor is the primary education specialist in helping a student determine what course he/she will pursue. A schedule must be based on future goals. The counselor, student, and parents, by working and planning together, can select courses appropriate for post high school objectives. Counselors will assist in all aspects of those plans including choice of college, technical or secretarial school, military, and employment opportunities. The counselor can provide information on financial aid and scholarships. Students can also visit colleges independently or on tours arranged through the Guidance Office. Meetings with college, military, technical and secretarial school representatives are also held regularly in the Guidance Office. Requirements for graduation, weighted course ranking, physical education credit description, and a timeline for the college bound are found in the **Program of Studies Booklet** available in the Guidance Office.

## Grading Policy

Marking period grades and final course grades will be reported by numerical grade averages. The following grade equivalents will be applied:

92-100	A
83-91	B
74-82	C
70-73	D
69 & below	F
EX	= Medical
IN	= Incomplete
WP	= Withdraw Passing
WF	= Withdraw Failing
P	= Passing
NP	= Not Passing
NC	= No Credit
There are quarterly exams.

# Health Services

**\*\*BEGINNING SEPTEMBER 1, 2004, ALL STUDENTS ENTERING ANY GRADE OF SECONDARY SCHOOL MUST HAVE A COMPLETED SERIES OF HEPATITIS B IMMUNIZATIONS. NON-COMPLIANCE MAY RESULT IN THE STUDENT'S EXCLUSION.\*\***

According to the New Jersey State Department of Education, the following guidelines will be followed when administering medications.

A written and signed order from a legal prescriber (physician, dentist or nurse practitioner) along with written parental permission must accompany all medications including prescribed and over-the-counter medications (i.e. Tylenol, Motrin, Tums, Cough Drops). The order must include but not be limited to:

1. An outline of the student's diagnosis.
2. The name, dosage and the time of administration of the drug along with any side effects.
3. An outline of any restrictions the medications might make to the student's daily activities, (e.g. driver ed., labs, shops, or P.E.).
4. If medication is prescribed on an as-needed basis, the order should clearly describe the conditions under which the drug is to be used.
5. Other medications the pupil receives that might enhance, alter, or impact the effects of the ordered medications.

Supplements and capsules which appear to be medications, if not prescribed, will be considered as substances under the substance abuse policy.

**Vision and hearing screenings**—Any parent/guardian, counselor, teacher, or student may request a vision or hearing screening at any time during the school year if a problem is suspected.

**Physical Education and Medical Excuses**—Occasions will arise when students will require a medical excuse from participation in physical education activities. A procedure is in place that will allow students to care for their medical problems while still meeting the mandated physical education requirement. Please consult with your student's guidance counselor, physical education teacher, or school nurse if the need arises for a medical excuse from physical education.

*\*All watches, hanging jewelry, and pierced jewelry must be removed prior to participation in physical education classes.*

Ms. Maureen McDonough, 11/12 High School Nurse ext. 4296  
Mrs. Barbara Nokes, 9/10 High School Nurse ext. 4335  
Mrs. Maureen Klimkiewicz, Middle School Nurse ext. 4265

## Statement of Non-Discrimination

It is the policy of Southern Regional High School District not to discriminate on the basis of race, color, creed, religion, sex, ancestry, national origin, or social or economic status in its educational programs or activities and employment policies as required by Title IX of the Education Amendments of 1972 and NJAC 6:4-1.1 et. Seq.

The Affirmative Action Officer for the 2012-2013 school year is Mr. Robert Schoka & Mrs. Susan Craig.

# Co-Curricular Programs

Southern Regional High School offers a variety of co-curricular activities. Interested students are encouraged to participate in the many activities Southern provides for its students.

Because of the value of these activities, the Board of Education requires its students to maintain standards of academic and behavioral excellence. It is, therefore, incumbent upon the Board of Education to require its students to have a certain level of academic standards in order to participate in a co-curricular activity.

Students interested in participating in co-curricular activities must meet the following Southern Regional eligibility requirements.

## Eligibility Requirements:

- All students must pass a minimum 15 credits each semester in order to be eligible for participation in a co-curricular activity (30 credits per year). Master lists of students eligible are available in the Athletic Office and Guidance Office.
- Eligibility for activities will be determined on a semester basis. Eligibility for other activities (clubs, newspapers, etc.) will be determined on a semester basis for continued eligibility. Any exception to these requirements due to unusual circumstances will be presented to the principal for determination as to an individual's eligibility.
- Determination of eligibility under any of the above may be appealed to the High School Principal who shall consider any mitigating or extenuating circumstances.

## NJSIAA Eligibility:

	Grade 9	Grade 10	Grade 11	Grade 12
<b>Fall</b>	All Eligible	30 Credits must be earned from previous year	30 Credits must be earned from previous year	30 Credits must be earned from previous year
<b>Winter</b>	All Eligible	Same as above	Same as above	Same as above
<b>Spring</b>	Must be passing equivalent of 30 credits (15 from 1st semester)	Same as grade 9	Same as grade 9	Same as grade 9

## NCAA Requirements:

- NCAA Division I requires 16 core course and NCAA Division II requires 14 core courses. The core courses are listed in the below charts.
- NCAA Division I had a sliding scale for test scores and grade point average for initial eligibility. Division II has a minimum SAT test score of 820 or an ACT sum score of 68.
- The SAT score used for NCAA purposes includes on the critical reading and math section. The writing section is not used.
- All information about initial NCAA eligibility can be obtained at [www.ncaaclearinghouse.net](http://www.ncaaclearinghouse.net).
- Please contact your Guidance Counselor for further information regarding NCAA initial eligibility.

### Division I 16 Core-Course Rule

16 Core Courses:  
 4 years of English  
 3 years Mathematics (Algebra 1 or higher)  
 2 years of natural/physical science (1 yr of lab is offered by HS)  
 1 year of additional English, mathematics or natural/physical science  
 2 years of social science  
 4 years of additional courses (from any area above, foreign language or non doctrinal religion/philosophy)

### Division II 14 Core Course Rule

14 Core Courses:  
 3 years of English  
 2 years of mathematics (Algebra I or higher)  
 3 years of natural/physical science (1 yr of lab is offered by HS)  
 2 years of additional English, mathematics or natural/physical science (3 yrs required 2013 and after)  
 2 years of social science  
 3 years of additional courses from any area above, Foreign language or non doctrinal religion/Philosophy (4 yrs required 2013 and after)

# More Info....

## Transportation:

A majority of the students at Southern Regional are dependent upon the bus transportation to get to and from school. This means that a few reasonable and necessary regulations must be stated and enforced.

1. Students should be on time at the designated bus stops.
2. Good order is essential. The bus driver is the person of authority in full charge of his/her bus and shall be responsible for good order.
3. The driver may assign to each student a definite seat which the student shall occupy subject to change by the Principal and/or the bus driver and/or the Assistant Principal.
4. Students are to use seatbelts where provided.
5. The bus driver will report unmanageable students to the Administration for disciplinary action.
6. All school regulations are in effect on buses.
7. Parents or guardians of students suspended from the bus are responsible for providing transportation to and from school.

**Activity Buses:** Students participating in athletics, band, or extra-curricular activities will be issued special passes. These passes shall enable them to ride buses at times other than the regular bus run. **Students wishing to come in for make-up or wishing to stay late must obtain a special bus pass from the teacher or sponsor of the activity for which they are staying.** Students are expected to remain with the teacher in charge in the designated classroom. All students are expected to promptly report to their extra-curricular or extra help sessions and document their necessity to being in the building with a pass. Remaining in the building without proper accountability or purpose and time will result in disciplinary action and/or reduction of privileges. A bus pass is needed to board the activity bus. Any student who leaves school property will not be permitted to ride the bus.

**Student Parking:** A limited number of juniors and seniors will be permitted to register their automobiles and drive to school. They are to park only in their designated parking area. No underclassmen will be permitted to register their automobiles. Registration forms are available in the 11/12 Main Office. In each case, the owner's registration card and driver's license must be submitted for recording. Cars must display the SRHS parking permit. Permits may be purchased for \$2.00 with parental consent. The permit is to be displayed on the driver's side rear window. Any student found parking in a faculty parking place, parking without valid permit, or driving in a reckless manner while on school property will be subject to losing his/her parking privilege and/or having his/her car ticketed by the Stafford Township Police Department. Automobiles which are parked on Southern Regional property may be searched for drugs, alcohol or other contraband without notice from school authorities.

**Student parking is a privilege.** Any violation of school rules or Board policy may result in revocation of that privilege. Students failing to meet assigned disciplinary obligations or accumulating excessive absences or tardies may have this privilege withheld or revoked.

**Valuables In School:** Students are cautioned not to bring large amounts of money, radios, cameras or other valuables to school, and if they wear glasses or watches, to keep track of them at all times. Students, not the school, are responsible for their personal property. If it is necessary to bring more money than is needed for the normal school day or a given activity, leave it at the main office for safekeeping. Do not leave valuables in your locker.  
**BOTH HALL AND GYM LOCKERS SHOULD BE LOCKED AT ALL TIMES.**

**Obligations:** Any item, equipment, textbooks, etc., which have been lost or not returned will be considered a "financial obligation." Any and all such obligations must be reconciled prior to the issuance of prom bids, parking permits, the senior trip and graduation.

**Change of Address Procedure:** The *Guidance Office* should be notified immediately of any change of address or telephone number. The student should also notify his/her counselor of such a change. The notification in both instances should be on the **CHANGE OF ADDRESS FORM** located on the website [www.srsd.net](http://www.srsd.net) and be accompanied by acceptable documentation of current changed residency (i.e., driver's license, current utility bills / lease etc.)

**Cafeteria Procedure:** Student behavior in the cafeteria is based on courtesy and cleanliness. Students are to be on time and to remain in the cafeteria the entire lunch period. At no time are pupils allowed to take food outside of the cafeteria. Students are expected to clean up and return trays and to follow directions of the staff in the cafeteria. Regular lunch: \$2.15; reduced lunch: \$0.40; milk: \$0.35 for students (prices subject to change).

**Fire Drill:** Students are to follow the directions of staff members and evacuate the building in a quiet and orderly manner. Students are expected to strictly adhere to posted evacuation routes found in each classroom. When outside the building, continue to move 100 ft. from the building. Stay outside with the teacher and wait for the signal to re-enter the building.

**Secure All:** Some emergency circumstances require that staff and students remain in the building. In these instances instructions will be administered over the intercom.

**Telephone Usage:** Students' use of the telephone during the school day is on an emergency basis only and they should use the student phone provided in the Main Office. Cell phone use is NOT permitted during school hours.

**Textbooks:** Textbooks are issued by your teachers. You should have your name, teacher's name and homeroom clearly written on the front cover. All textbooks should be covered at all times to prolong the life of the textbook. Any damage done to the book, including the loss of the book, will result in a fine when the book is collected.

**Lockers:** Lockers are supplied for the convenience of students. They are owned and maintained by the school. Every student is responsible for the contents of his or her own locker. Anything found in the locker will be the responsibility of the student to whom the locker is assigned. Lockers are subject to random search at any time and individual lockers may be searched at any time. The school does not recognize any right of privacy which a student may wish to claim with regard to the locker. New Jersey law (N.J.S.A. 18A:36-19.2) provides that lockers or other storage facilities may be searched on reasonable grounds and periodically inspected, provided that students are informed in writing at the beginning of the school year that such inspections may occur, so as not to create an expectation of privacy. Lockers must be cleaned out by the last day of school. Items left will be disposed of appropriately.

**Library:** The library is open every school day from 7:30 am to 3:00 pm. Most books may be borrowed for four weeks and are renewable. Magazines, pamphlets and books in great demand are restricted to one week sign-out. Reference books can be signed out overnight. Copies of Board Policies, Affirmative Action Plans and other school documents are located in the library office.

**Emergency Response Plan:** As you may be aware, a portion of this county may be affected in the event of a problem at the Oyster Creek Nuclear Generating Station. While it is highly unlikely that a plant condition could warrant protective actions, it is wise that our residents be trained and prepared for the remote possibility. The State, County and your Municipality have combined resources to prepare a detailed plan for any emergency. This message is a part of a public education program to acquaint you with details which affect your school children. In the event of an emergency, the first action may be IN-PLACE PROTECTION/SHELTERING. At this level, students will remain indoors to reduce or eliminate exposure. If the plant condition continues, long before the public is in danger, an evacuation will be ordered. Specific plans have been developed for transportation, routes, drivers and other resources necessary to remove school children to safe locations. Your child who is registered in grades 7-12 at Southern Regional High School District will be transferred, with adult supervision, to Stockton State College in Pomona where they will be registered and cared for until your arrival to pick them up and reunite them with the family. If you wish to give any other adult authorization to pick up your child, please notify school officials and follow their required procedures.

# Student Attendance

Middle School ext. 4202

High School ext. 4314

## Attendance Policy and Procedure

**Philosophy:** It is the policy of this Board to require that the pupils enrolled in the schools of this district attend school regularly in accordance with the laws of this State. The educational programs offered are predicated upon the presence of pupils and require continuity of instruction and classroom participation. The regular contact of pupils with one another and their participation in a well-planned instructional activity under the tutelage of a teacher are vital in order for them to master course proficiencies.

The Board shall require from the parent of each child or from an adult student who has been absent from school or from class for any reason a written statement of the cause for such absence. The Board may report to appropriate authorities infractions of the law regarding the attendance of students below the age of sixteen (16).

## Student Attendance

Students are expected to attend class on a regular basis. Students may not exceed 18 absences for the year. **Every absence counts towards the 18 day maximum. NJ State Law requires students to be in school for 4 hours to receive attendance credit for a given day. Any tardys or early dismissals on a 1/2 day of school will result in an absence.**

Every absence counts towards the 18 day yearly maximum. Only under extreme circumstances and with the proper documentation will the following absences be considered by administration for possible credit restoration:

- △ Medical documentation produced within 48 hours of the student's return to school.
- △ Mandatory court appearances with a subpoena.
- △ Certain legal and religious holidays.

## What to do if you are absent

- △ Keep track of your total absences. Remember all absences count towards the 18 day maximum.
- △ Bring in a parent note to show your teachers. This will be required to make up any missed work. Keep this note in a safe place. Bring any medical or legal documentation to the attendance office within 48 hours of your return to school.

## Homework Buddy

Pupils returning from an excused absence are responsible for the completion of all work and learning/assessment activities that were missed. It is recommended that each student identifies a "homework buddy" in each of her/his classes for the purpose of obtaining missed assignments during the absence.

### Homework Buddy Numbers

	Name	Number
Period 1	_____	_____
Period 2	_____	_____
Period 3	_____	_____
Period 4	_____	_____
Period 5	_____	_____
Period 6	_____	_____
Period 7	_____	_____
Period 8	_____	_____

## No Credit Status

When a student has exceeded the number of acceptable absences in the daily register, the student and parents will be informed that he/she is being placed on "no credit status."

## Attendance Thresholds

- 18 absences
- 19-24 absences no credit status
- A student with absences in excess of 24 days may only have credit restored via a Principal review.

## Restoration Process

- Upon obtaining the 19th absence a student may attend Saturday School in order to begin the credit restoration process.
- Two Saturday Schools will absolve one absence.
- Saturday School will alleviate an absence only after a student has surpassed the threshold of 18 absences.
- A student that surpasses his or her 24th absence will only be permitted to utilize the Credit Restoration Process after a review is completed by the building principal.
- A credit redemption period begins upon the necessity of the student. Saturday sessions must be scheduled through the student's specific Assistant Principal.

## Cutting Class

Students who are absent from class without authorization while being in school shall be referred to the administration for disciplinary action for cutting class. Additionally, the attendance policy regarding credit status will be applied. All students cutting class must receive a "0" as a grade for that day unless notified to the contrary by the administration.

## Tardiness

If a student is late to homeroom more than five (5) times, detentions will be assigned on the fifth, tenth, fifteenth, twentieth, and all subsequent tardys.

Students who have accumulated excessive tardiness or absences, students who are in danger of failing, or students who are discipline problems may be prohibited from participation in school activities that require their absence from school or class. In addition, parking privileges may be suspended and/or revoked.

# Other Reasons for Absences

## Early Dismissals

Where possible, dental and medical appointments should be made for hours when school is not in session. There are often legitimate reasons for such appointments during school hours. When dismissal for such purposes is necessary, the following steps must be completed:

1. A note signed by a parent or guardian must be presented to the Attendance Office before homeroom on the day of the requested early dismissal. The note will be validated by phone. The note should include the student's name, I.D. number, parent's name, and a phone number at which the parent/guardian can be reached for confirmation. The Administration may grant the early dismissal only if a parent/guardian can be contacted. **If the note cannot be verified, the student will not be dismissed.**
2. The parent or guardian must come into the Attendance Office and sign out the student at the time requested. For grades 7 & 8 report to the Main Office and for grades 9 - 12 attendance is located in the 9/10 bldg. across from the auditorium. **Parents/guardians will also be asked to show a valid identification before their student is permitted to leave. Students will only be released to the persons you have listed on your child's Emergency Contact Form. Please be sure that this information is accurate and that all phone numbers are up to date.**
3. Students who are eighteen years old must also follow the above procedures. However, the parent is not required to come in and sign out their student as long as we have a completed 18-year old permission to drive form on file for your student.
4. Upperclassmen students **are not** permitted to sign out younger siblings from school even if they are 18 years old.

## Vacations

Vacations during the school year are strongly discouraged. When a parent decides that the student must join the family on vacation, the following procedures must be followed:

1. Seven days prior to the first day of the vacation, the student must present a written vacation request to the Attendance Office from the parent covering the period of absence and the reason.
2. The Attendance Office will provide a vacation request form to the student. It is the student's responsibility to complete the entire form and return it to the Attendance Office prior to leaving on vacation.
3. Failure to follow this procedure could result in these absences counting as unexcused and loss of the opportunity to make up the work missed, i.e., a grade of zero for all missed work.
4. Approval of the school will depend on the academic, attendance and behavioral status of the student.
5. The student is expected to obtain, in advance, as much work as is available at that time from the teachers.

**\*Note: All vacation days are counted as days absent for attendance policy purposes. A student may not exceed 18 days absent.**

## DRUG PREVENTION PROGRAM

State Plan for Drug-Free Schools — The major thrust of the efforts of this district's drug awareness, prevention and intervention program shall be instruction about the harmful effect of controlled dangerous substances as a proactive approach to protecting youth from exposure to society's drug environment in the context of New Jersey's comprehensive narcotics enforcement strategy. The board recognizes that there must be cooperative efforts between parents, the schools and the law enforcement agencies in the attempt to discourage and/or control the illegal use of drugs.

Students are prohibited from possession, use, or distribution of drugs and/or alcohol on school property, or as part of any of its activities. Students, parents and employees are to be advised of such prohibition and consequences for violation in appropriate written notices in the student/parent handbooks at the beginning of each school year. Such prohibitions shall be made clear to the students and parents as well as the sanctions for violation of board policy and state law.

DISCIPLINE N.J.S.A. 18A:40A-10-11; N.J.A.C. 6:29-6.3 2

The Board prohibits the use, possession and/or distribution of a substance on school premises, at any school activity, and/or in a vehicle provided by the Board of Education.

A student who uses, possesses or distributes a substance will be subject to disciplinary action. Discipline will be determined by the severity of the offense and may include suspension or expulsion. Any student suspected of being under the influence will be required to be examined by a physician.

DRUG FREE SCHOOL ZONES N.J.A.C. 6:29-6.3 (6)

The Southern Regional Board of Education will cooperate with law enforcement drug operations and activities on or near school property in accordance with N.J.A.C. 6:3-6 and Drug Free School Zone policies.

\*Refer to Policy #5530 Southern Regional Board School District.

*Pursuant to the statute as follows: N.J.S.A. 18A:40A-1 et seq.; N.J.A.C. 6:29-6.1 et seq. It should also be known that any student dealing/using in a Drug-Free Zone is subject to a \$500 fine, 100 hours of community service and revocation of driving privileges. Minors under the age of 17 who are convicted will have licenses withheld for six months beyond their 17th birthday.*

## STUDENT GRIEVANCE PROCEDURE

Recognizing that all students are entitled to "due process" and that mitigating factors may be involved, any student has the prerogative of requesting an appeal of assignment of suspension, expulsion or other penalties applied under these guidelines:

1. Any student who desires to have his/her case or behavior re-evaluated may within five (5) school days request that the building principal review his/her case.
2. Pursuant to any unfavorable decision by the building principal, the student may within five (5) school days request in writing a hearing before the Superintendent of Schools.
3. Pursuant to any unfavorable decision by the Southern Regional Board of Education, the student may appeal this decision to the New Jersey Commissioner of Education within the next ten (10) days.

## STUDENT EXPECTATIONS

We believe in order to achieve success everyone must be working in the same direction. To help us best focus on our goal of academic achievement and personal growth for all, please follow these guidelines:

### General Academics:

- △ Complete all assignments promptly and to your best ability.
- △ Budget and utilize a study time at home and in school.
- △ Be proud of your achievement and share what you learn with others.
- △ Come prepared for class with a pen, pencil, notebook, and text everyday.
- △ If you are having any difficulty in a subject area, ask your teacher for extra help.

### Corridor Courtesy:

- △ Stay to the right and walk at all times.
- △ Move to your destination and be on time.
- △ Do not stand in groups in front of classroom doors or corridor intersections.
- △ Be sure to have a hall pass if you are to be out of class during class periods.
- △ Kindly avoid horseplay that can be a safety hazard.

### Hall Passes:

Class time is essential. No passes will be issued except in cases of emergency or for the purpose of instructional activities assigned by the teachers. Any student out of an assigned class must have the proper hall pass with the teacher's signature, student's destination, the date, and the time the student left the classroom. Passes will not be issued by teachers to use the telephone during the school day. Monthly hall passes, once issued, will only be replaced in extreme cases.

# Acceptable Use Policy (AUP) 2012-2013—Terms & Conditions

## General Information

The Southern Regional High School District provides computer equipment, computer services, and Internet access to its students and staff for educational purposes only. Computers are located in classrooms, labs, and libraries. All online activity may be monitored. Southern Regional has established procedures to comply with the Children's Internet Protection Act (CIPA), which mandates that:

- All computers incorporate technology to protect students from obscene material, child pornography, and other harmful material,
- **Student Online activity is monitored, and**
- The district establishes an [online safety policy](#).

Although Southern Regional uses filtering software, all parties must be aware that filters are imperfect. Material that should not get through does get through and material that should not be blocked does get blocked.

Students or staff who inadvertently access inappropriate material, should notify the supervising teacher or the Technology Department so that the site may be blocked and to avoid any problems if the access is picked up during the monitoring process.

Users who are blocked from accessing sites that are erroneously blocked can request that the site be unblocked. Students can process the request through the teachers for whom they are doing work. Teachers may request the unblocking through the technical support conference in Outlook.

These guidelines are provided so that staff, community, student users, and the parents/guardians of students are aware of their responsibilities. The district may modify these rules at any time. The signatures at the end of this document are legally binding and indicate that the parties who signed have read the terms and conditions carefully, understand their significance, and agree to abide by established rules.

## Information Content and Uses of the System

The user agrees not to publish on or over the system any information, which violates or infringes upon the rights of any other person or any information which would be abusive, profane, or sexually offensive to the average person. The user agrees not to use the facilities and capabilities of the system to conduct any business or solicit the performance of **any activity that is prohibited by law**. Because Southern Regional provides access to the Internet, students and their parents understand that the district and the system administrators have no control over content. The district will provide student access to Internet resources only in supervised environments and has taken steps to prevent access to objectionable areas, but potential dangers remain. Students and their parents/guardians are advised that some systems may contain objectionable or illegal material. Southern Regional and the system administrators do not condone the use of such materials and do not permit usage of such materials in the school environment. Students knowingly bringing such materials into the school environment will be dealt with according to the discipline policies of the district and such activities may result in termination of such students' accounts on the network. At any time, the systems administrator may prohibit the use of smart phones, foreign disks, or other devices (i.e., floppy disks, CD-Roms, USB key chains, etc.) on the district network. Remote access to the network is also prohibited for students.

## Online Conduct

All users are prohibited from signing in as another user on the network. Any action by a member that is determined by a system administrator and/or District Administration to constitute an inappropriate use of network resources or to improperly restrict other members from using those resources is strictly prohibited and may result in appropriate action in compliance with the district's discipline code. Transmission of material, information, or software in violation of any local, state, or federal law is also prohibited and is a breach of the Terms and Conditions. Users and their parents/guardians specifically agree to indemnify the Southern Regional School District and the system administrators for any losses, costs, or damages, including reasonable attorneys' fees incurred by the district relating to or arising out of any breach of this section (Online Conduct) by the user.

## Software Libraries

Software is provided to all users as a resource. No user may install, update, or download software without the consent of the system administrator. Any software having the purpose of damaging other members' accounts or the district network (e.g., computer viruses) is specifically prohibited. The system administrators, at their sole discretion, reserve the right to refuse posting of files and to remove files. The system administrators, at their sole discretion, further reserve the right to immediately terminate the account or take other action consistent with the district's discipline code of a member who misuses the software libraries.

## COPPA

Under the provisions of COPPA (Children's Online Privacy Protection Act) all commercial web sites must get prior consent before children 13 and under are permitted to share any personal information about themselves, or are permitted to use any interactive communication technologies where they would be able to share personal information with others. This includes chat rooms, e-mail, instant messaging, personal profiles, personal web sites, registration forms, and mailing lists. Although school sites are exempt and may provide these interactive forums for students, we cannot allow students under 13 years of age to visit outside sites without parental consent. Both students in this age group and their teachers will be educated as to the provisions of the law and our AUP.

## COPPA and Parents

COPPA requires expressed parental permission before any web site that can or is able to collect information via interactive components, allows children under the age of 13 to access their site. It must secure this permission regardless of whether information is collected. Simply having the ability to collect the information requires the parental permission for access. (Consent forms sent by parents/guardians via e-mail are not sufficient as parental permission).

The Southern Regional School District is aware of the provisions of and educates its staff and effected students about their rights and responsibilities. By signing this document, you as the parent/guardian are granting permission for your child under the age of 13 to access such sites as part of the curricular activities of the school.

## COPPA and Students

Students under the age of 13 may not visit any web site capable of collecting personal information unless it is for curricular reasons and is under the direction or supervision of a teaching staff member of Southern Regional. Students under the age of 13 visiting such sites without permission or direction will be in violation of this policy.

## Online Safety and Privacy

The Children's Internet Protection Act (CIPA) requires that schools establish an online safety program which is separate from this AUP. It details specific measures that the school is taking to ensure the students' safety while working online. This and other curricular documents are available upon request from the office of the superintendent.

Staff is reminded to follow safe Internet communications practices outlined below:

- Never tell anyone personal information about yourself.
- Never meet anyone in person whom you have met online.
- Remember to never write any personal things about yourself in your online profile.
- Be civil and polite online.
- If people are conducting themselves poorly online, leave and report the conduct.
- Report any activity that makes you uncomfortable or if someone sends you inappropriate e-mail.
- Remember that you never really know who the other person is online.
- Don't do things online that you know you wouldn't do in person.

If you find an inappropriate web site, just click the back button and go somewhere else.

## Electronic Mail

Electronic mail ("e-mail") is an electronic message sent by or to a member in correspondence with another person having Internet mail access. E-mail messages on the Southern Regional network are the property of the district and may be accessed at any time. Messages received by the system are retained on the system until deleted by the recipient or until they reach the expiration date set by the system administrator. Southern Regional will provide e-mail accounts to students who require them for curricular/ educational purposes upon their teacher's request. Business, personal entertainment, or other non-educational uses are to be avoided. Student use of outside mail accounts or web-based e-mail is prohibited and a violation of this policy.

A canceled Southern Regional account will not retain its mail. Members are expected to remove old messages in a timely fashion. The system administrators may remove such messages if not attended to regularly by the member.

The Children's Internet Protection Act (CIPA) mandates that student online activity is monitored. Though appropriate staff does not regularly read e-mail, it may be spot checked or monitored electronically.

It is a violation of this AUP to send mail that is defamatory, abusive, obscene, profane, sexually oriented, threatening, racially offensive, or otherwise illegal. Anyone receiving such mail should refer it to the proper authorities for investigation. Southern Regional reserves the right to cooperate fully with local, state, or federal officials in any investigation concerning or relating to any mail transmitted on the Southern Regional network.

## Real-time, interactive communication areas

The system administrators, at their sole discretion, reserve the right to immediately terminate the account of a member who misuses real-time conference features (talk/chat/Internet/relay chat).

## Disk Usage

The system administrators reserve the right to set quotas for disk usage on the system. A user who exceeds his quota will be advised to delete files to return to compliance. A user who remains in noncompliance of disk space quotas after seven (7) days of notification will have their files removed by a system administrator.

## Security

Security on any computer system is a high priority. If a member feels that he can identify a security problem on the system, the member must notify a system administrator or @srsd.net. The member should not demonstrate the problem to others. Members may not allow others to use their account and password. Attempts to log in to the system using either another member's account or as a system administrator will result in termination of the account. Members should immediately notify a system administrator if a password is lost or stolen, or if they have reason to believe that someone has obtained unauthorized access to their account. Any member identified as a security risk will have his/her account terminated and is subject to other disciplinary action.

## Vandalism

Vandalism will result in cancellation of system privileges and other disciplinary measures in compliance with district policy and the discipline code. Vandalism is defined as any malicious attempt to harm or destroy data of another user, the system, or any of the agencies or other networks that are connected to the Internet backbone or of doing intentional damage to hardware or software resident on the system.

## Game Playing and Painting

Game playing is permitted on the Southern Regional system only when the terminal is not needed for other purposes and the game conforms to the curricular goals of the district. Permission must be obtained in advance by the teacher in charge. Game playing over dial-up links or other inter-machine communication is prohibited. Although drawing and painting have legitimate academic use, those activities are prohibited when done for recreational purposes.

## Printing

The printing facilities of the Southern Regional network should be used judiciously. Unnecessary printing is a drain of the capacity of the networks, adds expense, and shortens the life of the equipment. By developing on-screen proofreading skills and practicing proper use of cut and paste techniques, users must conserve printing resources and help the system run more efficiently.

## Privately Owned Technology Devices

Privately owned technology device refers to any technology hardware or software that is borrowed, purchased, owned and/or maintained by the pupil or staff member at no expense to the school or district.

Privately owned technology devices include any type of computer, wireless phone, electronic reader, tablet, video recording device or camera. The school district shall assume no responsibility for the security or damage to any privately owned technology device brought to school.

Students may use privately owned technology devices at the sole discretion of the classroom teacher. Teachers who wish to allow the use of privately owned technology devices shall notify their immediate supervisor as to the nature of this use.

Any pupil or staff member who uses a privately owned technology device while in school for any purpose must comply with all district policies and regulations regarding the acceptable use of computers and technology.

The school district assumes no responsibility for any privately owned technology device or software brought to school by a student or staff member.

**Days school is not in session**

- The Board of Education meets in the Administration Building at 7:00 p.m. {Ram Room} on the second Wednesday of each month, unless otherwise advertised.
- Southern Regional Home & School Association Meets in the High School Room 107 at 6:30 pm on the second Tuesday of each month.

# H.S. Class Fundraisers & Events

⇒ Each CLASS (grade level) is responsible to raise funds to defray the costs of “CLASS” activities such as the Junior Prom, Senior Prom, Senior Service Day and Senior Trip.

⇒ Below are the scheduled fundraisers for the 2012—2013 school year.

⇒ Please help to keep the costs of these events down by participating in fundraisers and activities that each CLASS sponsors in addition to our band, or athletic fundraisers.

Thank you.
