10 Breakfast @ 3.30 = 3.00

Calculation Table

____ Lunches x \$2.95 = \$_____

—— Breakfast x \$ 1.75 = \$ ——

A la Carte \$_____

Total Amount \$_____

EZ LUNCH ACCOUNT

I understand and agree that:

- An individual account will be opened for my student.
- My student will use his/her student ID card to access the account.
- A photo has been taken of my student.
 Food service staff will use the photo for identification verification when the student accesses the account.
- I will maintain a positive balance in the account.
- I have informed Sodexo School Services of all known food allergies and dietary restrictions for my student (doctor's statement attached).
- If a balance remains at the end of the school year, it will be applied to the student's account for next school year. I can request a refund if my student graduates or withdraws from the School District.

The District and Sodexo School Services installed a state-of-the-art computerized point-of-sale system to make it easier for students and their parents to purchase school meals.

To use the EZ Lunch system, you can simply choose the amount of money you want your student to have in his/her account, complete the attached form and send it along with a check ...IT"S THAT EZ!

The EZ Lunch system will provide you with an easier method of making sure your child gets a nutritious lunch.

HERE'S HOW IT WORKS!

- Students use their student ID card.
- Funds are deposited into their accounts. You decide how much to deposit in your student's account.

- You may set limits on daily a la carte spending.
- As your child purchases program meals or a la carte items, his/her protected account will be debited via computerized cash registers.
- Students do not have to buy lunch or a la carte items every day...only when they want to.
- All funds remain in the account until they are spent.

SAFETY FEATURES

- Students will be informed when their balances become low.
- Cashier will verify that students only use their own accounts.

PLEASE NOTE

- Balances at the end of the year will be transferred to the student's account for the following year.
- If you have any questions or concerns about this program, please call:

609-597-9481

Debbie Exel, 11-12 Bldg. Ext. 4419 Terry Eckel , 9-10 Bldg. Ext. 4306 Chris Hill Middle School Ext. 4260

HOWTO SET UP AN EZ LUNCH ACCOUNT

1. Determine the amount you wish to deposit in your student's account.

*Minimum deposit is <u>\$15.00 for full</u> paid students.

*Minimum deposit is <u>\$10.00 for</u> students who receive free or reduced price meals.

*See the back page to determine the amount that is right for you and your student.

 Complete the EZ Lunch Account Deposit Form. Make your check or money order payable to;

SOUTHERN CAFETERIA FUND

Return both to the School Cafeteria office.

- 1. Deposits will be accepted throughout the school year.
- 2. Make additional deposits throughout the school year by:

*Parents can open a Payforit.net accont and make deposits directly through their Payforit account - see the Payforit.net flyer for additional instructions.

*Sending the deposit and form to school with your student

*Mailing the deposit and form to the Cafeteria Office

*Parents may drop off deposit and form
