Dear Parent or Guardian:

Photographs and video images of students are routinely taken when they participate in school activities and class projects for the purpose of sharing student achievement and celebrating educational programs with the community. The media outlets may include, but are not limited to: Southern Regional High School District school publications, newsletters, websites, and SNN cable channel 21; plus community newspapers and aired television channels. Personal information may include name, age, grade, school and hometown. Specific addresses or phone numbers are not released to media outlets.

Carefully read the following statements, check the appropriate box, complete the lower portion, and return this form to the main office. This form will remain on file for the years your child is a student at Southern Regional School District. Your child will still be able to participate in any and all the events even if you decide not to give permission for your child's photograph, video image, and/or personal information to be released to media outlets.

If you have any questions, please contact me at 597-9481 ext. 2378 or 609-548-2283.
