

Want to be a part of SRMS extracurricular programs? There is something for everyone. A complete listing of clubs and activities appears on the reverse side of this page. A few examples are below:

Builders Club and Leo Club are service organizations that assist in school and community projects.

David's Dream & Believe helps raise funds for local families who are facing a cancer diagnosis.

Family, Career, and Community Leaders of America (FCCLA) is a youth leadership organization nationally recognized for its leadership development and dedication to service. Members regularly place in state and national competitions.

The **National Junior Honor Society** is an honor service organization. Members must be nominated and successfully complete the application process to become a member.

Sunshine Club focuses on helping others and planning fun activities that celebrate the importance of friendships, no matter our differences.

Youth Canteen is a club which helps plan and implement the school dances.

Intramurals are organized sports and games that provide an opportunity for friendly competition without the daily commitment of a sports team.

Interscholastic Sports are organized sports that meet Monday through Friday and sometimes on weekends with students competing against athletes from other schools. The late bus accommodates most weekday practice/games. Student athletes are required to attend all sessions throughout the season. Some teams utilize a try-out process.

Have questions about other clubs and activities?

For more information about the activities offered, email the advisor or coach.

We hope to have the opportunity to host the annual **Activity Day Picnic** in the spring.

Participation in one or more SRMS activities qualifies a student.

(Students must complete the sport season or attend at least 10 meetings for one club.)
